PART II : SHARE CAPITAL AND RIGHTS

2. Share Capital

- (a) The share capital of the Company is EUR100,000,000 divided into 1,000,000,000 Ordinary Shares of EUR0.10 each.
- (b) Subject to any restrictions that may be imposed in accordance with these Articles, at a general meeting of the Company, on a show of hands every Holder of Ordinary Shares who (being an individual) is present in person or by proxy or (being a body corporate) is present by a representative shall have one vote and on a poll every Holder of Ordinary Shares who is present in person or by a proxy or (being a body corporate) by a representative shall have one vote for every Ordinary Share of which he is the Holder.
- (c) Subject to any restrictions that may be imposed in accordance with these Articles, sums legally available to be distributed by the Company in or in respect of any financial year may (to the extent so resolved or recommended by the Board) be distributed amongst the Holders of Ordinary Shares in proportion to the numbers of Ordinary Shares then held by them.
- (d) On a return of capital (whether on repayment of capital, liquidation or otherwise) the assets or capital legally available to be distributed by the Company shall be distributed amongst the Holders of Ordinary Shares in proportion to numbers of Ordinary Shares held by them.

3. Rights of Shares on Issue

- (a) Without prejudice to any special rights conferred on the Holders of any existing shares or class of shares and subject to the provisions of the 2014 Act, any share may be issued with such rights or restrictions as the Company may by ordinary resolution determine (provided that, for so long as the Company is an Irish REIT, its issued share capital shall consist only of such classes (and number of classes) of shares as is permitted for an Irish REIT by Part 25A (and the rights attached to any preference share issued by the Company shall be limited in the manner required for an Irish REIT by Part 25A)).
- (b) Without prejudice to the power conferred on the Company by paragraph (a) of this Article, the Directors on the allotment and issue of any shares may impose restrictions on the transferability or disposal of the shares comprised in a particular allotment as may be considered by the Directors to be in the best interests of the shareholders as a whole.

4. Variation of Rights

- (a) Whenever the share capital is divided into different classes of shares, the rights attached to any class may be varied or abrogated with the consent in writing of the Holders of three-fourths in nominal value of the issued shares of that class, or with the sanction of a special resolution passed at a separate general meeting of the Holders of the shares of the class, and may be so varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding-up. The quorum at any such separate general meeting shall be 2 (two) persons holding or representing by proxy at least one-third in nominal value of the issued shares of the class in question and the quorum at an adjourned meeting shall be one person holding shares of the class in question or his proxy. Subject as provided in this Article, all of the provisions of these Articles relating to meetings of the Company shall *mutatis mutandis* apply to every separate general meeting of the Holders of any class of shares in the Company.
- (b) The rights conferred upon the Holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by these Articles or the terms of the issue of the shares of that class, be deemed to be varied by a purchase or redemption by the Company of its own shares or by the creation or issue of further shares ranking *pari passu* therewith or subordinate thereto.

5. Trusts not Recognised

Except as required by law or as may otherwise be provided for in these Articles, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these Articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Holder (but this shall not preclude the Company from requiring the Members or a transferee of shares to

furnish the Company with information as to the beneficial ownership of any share when such information is reasonably required by the Company).

6. Disclosure of Beneficial Ownership

- (a) The Directors may at any time and from time to time and in their absolute discretion, if they consider it to be in the interests of the Company to do so, give to any shareholder or shareholders a notice (hereinafter referred to as an “**Investigation Notice**”) requiring such shareholder or shareholders to notify the Company in writing, within the prescribed period, of full and accurate particulars of all or any of the following matters, namely:
- (i) his interest in any shares in the Company;
 - (ii) if his interest in the share does not consist of the entire beneficial interest in it, the interests of all persons having a beneficial interest in the share (provided that one joint shareholder of a share shall not be obliged to give particulars of interests of persons in the share which arise only through another joint shareholder of the Company); and
 - (iii) any arrangement (whether legally binding or not) entered into by him or any person having any beneficial interest in the share whereby it has been agreed or undertaken or the shareholder of such share can be required to transfer the share or any interest therein to any person (other than a joint shareholder of the share) or to act in relation to any meeting of the Company or of any class of shares of the Company in a particular way or in accordance with the wishes or directions of any other person (other than a person who is a joint shareholder of such share).
- (b) If, pursuant to an Investigation Notice, the person stated to own any beneficial interest in a share or the person in favour of whom any shareholder (or other person having any beneficial interest in the share) has entered into any arrangements referred to in paragraph (a)(iii) of this Article is a body corporate, trust, society or any other legal entity or association of individuals and/or entities, the Directors may in their absolute discretion give a further Investigation Notice to the shareholders of such a share requiring them to notify the Company in writing within the prescribed period of full and accurate particulars of the name and addresses of the individuals who control (whether directly or indirectly and through any number of vehicles, entities or arrangements) the beneficial ownership of all the shares, interests, units or other measure of ownership of such body corporate, trust, society or other entity or association wherever the same shall be incorporated, registered or domiciled or wherever such individuals shall reside, provided that if at any stage of such chain of ownership the beneficial interest in any share shall be established to the satisfaction of the Directors to be in the ownership of any body corporate any of whose share capital is listed or dealt in on any bona fide stock exchange, unlisted securities market or over the counter securities market, it shall not be necessary to disclose details of the individuals ultimately controlling the beneficial interests in the shares of such body corporate.
- (c) The Directors may, if they think fit, give Investigation Notices under paragraphs (a) and (b) of this Article at the same time on the basis that the

Investigation Notice given pursuant to paragraph (b) shall be contingent upon disclosure of certain facts pursuant to an Investigation Notice given pursuant to paragraph (a).

- (d) The Directors may (before or after the receipt of any written particulars under this Article) require any such particulars to be verified by statutory declaration or independent evidence if such independent evidence is, in the sole discretion of the Directors, adequate for their purposes.
- (e) The Directors may serve any notice pursuant to the terms of this Article irrespective of whether or not the shareholder on whom it shall be served may be dead, bankrupt, insolvent or otherwise incapacitated and no such incapacity or any unavailability of information or inconvenience or hardship in obtaining the same shall be a satisfactory reason for failure to comply with any such notice provided that if the Directors in their absolute discretion think fit, they may waive compliance in whole or in part with any notice given under this Article in respect of a share in any case of bona fide unavailability of information or genuine hardship or whether they think otherwise fit but no such waiver shall in any way prejudice or affect any compliance not so waived whether by the shareholder concerned or by any other joint shareholder of the share or by any person to whom a notice may be given at any time.
- (f) If at any time the Directors are satisfied that:
 - (i) any Member has been served with an Investigation Notice, or
 - (ii) any Member, or any other person appearing to be interested in shares held by such Member, has been served with a Section 1062 Notice,

and is in default for the prescribed period in supplying to the Company the information thereby required, or, in purported compliance with such a notice has made a statement which is false or inadequate, then the Directors may, in their absolute discretion at any time thereafter by notice (a “**Disenfranchisement Notice**”) to such Member direct that in respect of the shares in relation to which the default occurred (the “**Default Shares**”) (which expression shall include any further shares which are issued in respect of such shares) the Member shall not be entitled to attend or to vote either personally or by proxy at a general meeting of the Company or a meeting of the Holders of any class of shares of the Company or to exercise any other rights conferred by membership in relation to general meetings of the Company or meetings of the Holders of any class of shares of the Company.

- (g) Where the Default Shares represent at least 0.25% (one-quarter of one per cent.) of the issued shares of that class, then the Disenfranchisement Notice may additionally direct that:
 - (i) except in a liquidation of the Company, no payment shall be made of any sums due from the Company on the Default Shares, whether in respect of capital or dividend or otherwise, and the Company shall not have any liability to pay interest on any such payment when it is finally paid to the Member (but the provisions of this sub-paragraph (i) shall apply only to the extent permitted from time to time by the Listing Rules of the Irish Stock Exchange and the Listing Rules of the UK Listing Authority);

- (ii) no other distribution shall be made on the Default Shares;
- (iii) no transfer of any of the Default Shares held by such Member shall be registered unless:
 - (A) the Member is not himself in default as regards supplying the information requested and the transfer when presented for registration is accompanied by a certificate by the Member in such form as the Directors may in their absolute discretion require to the effect that after due and careful enquiry the Member is satisfied that no person in default as regards supplying such information is interested in any of the shares the subject of the transfer; or
 - (B) the transfer is an approved transfer (as defined below in sub-paragraph (l)(iii) of this Article).

The Company shall send to each other person appearing to be interested in the shares the subject of any Disenfranchisement Notice a copy of the Disenfranchisement Notice, but the failure or omission by the Company to do so shall not invalidate such Disenfranchisement Notice.

- (h) Where any person appearing to be interested in the Default Shares has been duly served with a Disenfranchisement Notice or copy thereof and the Default Shares which are the subject of such Disenfranchisement Notice are held by an Approved Nominee, the provisions of this Article shall be treated as applying only to such Default Shares held by the Approved Nominee and not (insofar as such person's apparent interest is concerned) to any other shares held by the Approved Nominee.
- (i) Where the Member upon whom an Investigation Notice or a Section 1062 Notice is served is an Approved Nominee acting in its capacity as such, the obligations of the Approved Nominee as a Member shall be limited to disclosing to the Company such information relating to any person appearing to be interested in the shares held by it as has been recorded by it pursuant to the arrangements entered into by the Company or approved by the Directors pursuant to which it was appointed as an Approved Nominee.
- (j) Any Disenfranchisement Notice shall cease to have effect:
 - (i) in relation to any shares which are transferred by such Member by means of an approved transfer (as defined below in sub-paragraph (l)(iii) of this Article); or
 - (ii) when the Directors are satisfied that such Member and any other person appearing to be interested in shares held by such Member, has given a declaration or provided independent evidence to the Company setting out the information required by the relevant Investigation Notice or Section 1062 Notice.
- (k) The Directors may at any time give notice cancelling a Disenfranchisement Notice.
- (l) For the purpose of this Article:

- (i) a person shall be treated as appearing to be interested in any shares if the Member holding such shares has given to the Company a notification under Section 1062 of the 2014 Act or under the Investigation Notice which either:
 - (A) names such person as being so interested; or
 - (B) fails to establish the identities of those interested in the shares, and (after taking into account the said notification and any other relevant notification under Section 1062 of the 2014 Act or under any Investigation Notice) the Company knows or has reasonable cause to believe that the person in question is or may be interested in the shares;
- (ii) in the case of both an Investigation Notice and a Section 1062 Notice, the prescribed period is 28 (twenty-eight) days from the date of service of the notice except that if the Default Shares represent at least 0.25% (one-quarter of one per cent.) of the issued shares of that class, the prescribed period is 14 (fourteen) days from such date; and
- (iii) a transfer of shares is an approved transfer if but only if:
 - (A) it is a transfer of shares to an offeror by way or in pursuance of acceptance of an offer made to all the Holders (or all the Holders other than the person making the offer and his nominees) of the shares in the Company to acquire those shares or a specified proportion of them; or
 - (B) the Directors are satisfied that the transfer is made pursuant to a sale of the whole of the beneficial ownership of the shares the subject of the transfer to a party unconnected with the Member and with other persons appearing to be interested in such shares; or
 - (C) the transfer results from a sale made through a stock exchange on which the Company's shares are normally traded.
- (m) The provisions of this Article are in addition to, and do not limit, any other right or power of the Company, including any right vested in the Company by the 2014 Act. For the avoidance of doubt, nothing contained in this Article shall limit the power of the Company under Section 1066 of the 2014 Act.
- (n) For the purpose of establishing whether or not the terms of any notice served under this Article shall have been complied with the decision of the Directors in this regard shall be final and conclusive and shall bind all persons interested.

7. Allotment of Shares

- (a) Subject to the provisions of the 2014 Act relating to authority, pre-emption or otherwise in regard to the issue of, or the grant of options over, or other rights to subscribe for, new shares and of any resolution of the Company in general meeting passed pursuant thereto, all unissued shares (including treasury shares) for the time being in the capital of the Company shall be at the

disposal of the Directors and (subject to the provisions of the 2014 Act) they may allot, grant options over or otherwise dispose of them to such persons on such terms and conditions and at such times as they may consider to be in the best interests of the Company and its shareholders, but so that no share shall be issued at a discount, except in accordance with the provisions of the 2014 Act, and so that, in the case of shares offered to the public for subscription (for the avoidance of doubt excluding those offered under the terms of an employees' share scheme within the meaning of the 2014 Act), the amount payable on application on each share shall not be less than one-quarter of the nominal amount of the share and the whole of any premium thereon.

- (b) Without prejudice to the generality of the powers conferred on the Directors by the other paragraphs of this Article, the Directors may grant from time to time options to subscribe for the unallotted shares in the capital of the Company to persons in the service or employment of the Company (including without limitation any Directors holding executive offices), IRES Fund Management Limited or CAPREIT LP on such terms and subject to such conditions as may be approved from time to time by the Directors or by any committee thereof appointed by the Directors for the purpose of such approval.
- (c) The Company may issue warrants to subscribe (by whatever name they are called) to any person to whom the Company has granted the right to subscribe for shares in the Company (other than under a share option scheme for employees) certifying the right of the registered holder thereof to subscribe for shares in the Company upon such terms and conditions as the right may have been granted.

8. Payment of Commission

The Company may exercise the powers of paying commissions conferred by the 2014 Act. Subject to the provisions of the 2014 Act, any such commission may be satisfied by the payment of cash or by the allotment of fully or partly paid shares or partly in one way and partly in the other. On any issue of shares the Company may also pay such brokerage as may be lawful.

9. Payment by Instalments

If by the conditions of allotment of any share the whole or part of the amount or issue price thereof shall be payable by instalments, every such instalment when due shall be paid to the Company by the person who for the time being shall be the Holder of the share.

PART III : SHARE CERTIFICATES

10. Issue of Certificates

- (a) Subject to the provisions of part (b) of this Article and except in respect of an allotment or transfer of a share made in uncertificated form in accordance

with the 1996 Regulations or a Stock Exchange Nominee in respect of whom the Company is not by law required to complete and have ready for delivery a certificate, every Member shall be entitled without payment to receive within 2 (two) months after allotment or lodgement of a transfer to him of the shares in respect of which he is so registered (or within such other period as the conditions of issue shall provide) one certificate for all the shares of each class held by him or several certificates each for one or more of his shares upon payment for every certificate after the first of such reasonable sum as the Directors may determine provided that the Company shall not be bound to issue more than one certificate for shares held jointly by several persons and delivery of a certificate to one joint Holder shall be a sufficient delivery to all of them. The Company shall not be bound to register more than 4 (four) persons as joint Holders of any share (except in the case of executors or trustees of a deceased Member). Every certificate shall be sealed with the Seal and shall specify the number, class and distinguishing numbers (if any) of the shares to which it relates and the amount or respective amounts paid up thereon.

- (b) Where the Company has received information to the effect that a Member is no longer residing at his registered address, any such Member shall only be entitled to receive the certificate or certificates referred to in paragraph (a) of this Article if he shall have applied to the Company and provided an address to which such certificate or certificates may be sent or if he shall request such certificate or certificates to be handed personally to him or to his authorised agent, on producing such proof of identification as the Company may reasonably require; provided always that, subject to the provisions of the 2014 Act, the Company will be required to complete and have ready for delivery the certificate or certificates for all the applicable shares of each class held by that Member within 2 (two) months of the date of an allotment of any shares or the date on which a transfer of any shares is lodged with the Company.

11. Balance and Exchange Certificates

- (a) Where some only of the shares comprised in a share certificate are transferred the old certificate shall be cancelled and the new certificate for the balance of such shares shall be issued in lieu without charge.
- (b) Any 2 (two) or more certificates representing shares of any one class held by any Member at his request may be cancelled and a single new certificate for such shares issued in lieu, without charge unless the Directors otherwise determine. If any Member shall surrender for cancellation a share certificate representing shares held by him and request the Company to issue in lieu 2 (two) or more share certificates representing such shares in such proportions as he may specify, the Directors may comply, if they think fit, with such request.

12. Replacement of Certificates

If a share certificate is defaced, worn out, lost, stolen or destroyed, it may be replaced on such terms (if any) as to evidence and indemnity and payment of any exceptional expenses incurred by the Company in investigating evidence or in relation to any indemnity as the Directors may determine, but otherwise free of

charge, and (in the case of defacement or wearing out) on delivery up of the old certificate.

PART IV : LIEN ON SHARES

13. Extent of Lien

The Company shall have a first and paramount lien on every share (not being a fully-paid share) for all moneys (whether presently payable or not) payable at a fixed time or called in respect of that share. The Directors, at any time, may declare any share to-be wholly or in part exempt from the provisions of this Article. The Company's lien on a share shall extend to all moneys payable in respect of it.

14. Power of Sale

The Company may sell in such manner as the Directors determine, any share on which the Company has a lien if a sum in respect of which the lien exists is presently payable and is not paid within 14 (fourteen) Clear Days after notice demanding payment, and stating that if the notice is not complied with the share may be sold, has been given to the Holder of the share or to the person entitled to it by reason of the death, bankruptcy or insolvency of the Holder, or who otherwise becomes entitled to the share by operation of law, directive or regulation (whether of the State or otherwise).

15. Power to Effect Transfer

To give effect to a sale, the Directors may authorise some person to execute an instrument of transfer of the share sold to, or in accordance with the directions of, the purchaser. The transferee shall be entered in the Register as the Holder of the share comprised in any such transfer and he shall not be bound to see to the application of the purchase moneys nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the sale, and after the name of the transferee has been entered in the Register, the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively. Where a share, which is to be sold as provided for in this Part IV, is held in uncertificated form, the Directors may authorise some person to do all that is necessary under the 1996 Regulations to change such share into certificated form prior to its sale under this Part IV.

16. Proceeds of Sale

The net proceeds of the sale, after payment of the costs, shall be applied in payment of so much of the sum for which the lien exists as is presently payable and any residue (upon surrender to the Company for cancellation of the certificate for the shares sold and subject to a like lien for any moneys not presently payable as existed upon the shares before the sale) shall be paid to the person entitled to the shares at the date of the sale.

PART V : CALLS ON SHARES AND FORFEITURE

17. Making of Calls

Subject to the terms of allotment, the Directors may make calls upon the Members in respect of any moneys unpaid on their shares and each Member (subject to receiving at least 14 (fourteen) Clear Days' notice specifying when and where payment is to be made) shall pay to the Company as required by the notice the amount called on his shares. A call may be required to be paid by instalments. A call may be revoked before receipt by the Company of a sum due thereunder, in whole or in part and payment of a call may be postponed in whole or in part. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. A Holder shall not receive any dividend in respect of any shares on which there are any amounts due but unpaid. The restrictions described in Article 72 shall apply to shares held by a Holder or Holders who have failed to pay a call or instalment of a call in the manner and at the time appointed for payment thereof.

18. Time of Call

A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.

19. Liability of Joint Holders

The joint Holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

20. Interest on Calls

If a call remains unpaid after it has become due and payable the person from whom it is due and payable shall pay interest on the amount unpaid from the day it became due until it is paid at the rate fixed by the terms of allotment of the share or in the notice of the call or, if no rate is fixed, at the appropriate rate (as defined by the 2014 Act) but the Directors may waive payment of the interest wholly or in part.

21. Instalments Treated as Calls

An amount payable in respect of a share on allotment or at any fixed date, whether in respect of nominal value or as an instalment of a call, shall be deemed to be a call and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call.

22. Power to Differentiate

Subject to the terms of allotment, the Directors may make arrangements on the issue of shares for a difference between the Holders in the amounts and times of payment of calls on their shares.

23. Interest on Moneys Advanced

The Directors, if they think fit, may receive from any Member willing to advance the same all or any part of the moneys uncalled and unpaid upon any shares held by him, and upon all or any of the moneys so advanced may pay (until the same would, but for such advance, become payable) interest at such rate, not exceeding (unless the Company in general meeting otherwise directs) 15% (fifteen per cent.) per annum, as may be agreed upon between the Directors and the Member paying such sum in advance.

24. Notice Requiring Payment

- (a) If a Member fails to pay any call or instalment of a call on the day appointed for payment thereof, the Directors, at any time thereafter during such times as any part of the call or instalment remains unpaid, may serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued.
- (b) The notice shall name a further day (not earlier than the expiration of 14 (fourteen) Clear Days from the date of service of the notice) on or before which the payment required by the notice is to be made, and shall state that in the event of non-payment at or before the time appointed the shares in respect of which the call was made will be liable to be forfeited.
- (c) If the requirements of any such notice as aforesaid are not complied with then, at any time thereafter before the payment required by the notice has been made, any shares in respect of which the notice has been given may be forfeited by a resolution of the Directors to that effect. The forfeiture shall include all dividends or other moneys payable in respect of the forfeited shares and not paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder. When any share has been forfeited notice of the forfeiture shall be served upon the person who was before forfeiture the Holder of the share but no forfeiture shall be in any manner invalidated by any omission or neglect to give notice as aforesaid.
- (d) On the trial or hearing of any action for the recovery of any money due for any call it shall be sufficient to prove that the name of the Member sued is entered in the Register as the Holder, or one of the Holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book and that notice of such call was duly given to the Member sued, in pursuance of these Articles, and it shall not be necessary to prove the appointment of the Directors who made such call nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

25. Treatment of Forfeited Shares

- (a) Subject to the provisions of the 2014 Act, any share so forfeited shall be deemed to be the property of the Company, no voting rights shall be exercised in respect thereof and the Directors may within three years of such forfeiture sell, re-allot, or otherwise dispose of the same in such manner as they think fit either to the person who was before the forfeiture the Holder thereof, or to any other person, and either with or without any past or accruing

dividends, and in the case of re-allotment, with or without any money paid thereon by the former Holder being credited as paid thereon.

- (b) A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit. Where for the purposes of its disposal such a share is to be transferred to any person, the Directors may authorise some person to execute an instrument of transfer of the share to that person. The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of and thereupon he shall be registered as the Holder of the share and shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share. Where a share, which is to be sold or otherwise disposed of as provided for in this Part V, is held in uncertificated form, the Directors may authorise some person to do all that is necessary under the 1996 Regulations to change such share into certificated form prior to its sale or disposal under this Part V.
- (c) Any share not disposed of in accordance with the foregoing within a period of 3 (three) years from the date of its forfeiture shall thereupon be cancelled in accordance with the provisions of the 2014 Act.

26. Effect of Forfeiture

A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares and shall surrender to the Company for cancellation the certificate for the shares forfeited, but nevertheless shall remain liable to pay to the Company all moneys which, at the date of forfeiture, were payable by him to the Company in respect of the shares with interest at the rate at which interest was payable on those monies before the forfeiture or, if no interest was so payable, at the appropriate rate (as defined in the 2014 Act) from the date of forfeiture until payment, without any deduction or allowance for the value of the shares at the time of forfeiture but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares.

27. Statutory Declaration

A statutory declaration that the declarant is a Director or the Secretary of the Company, and that a share in the Company has been duly forfeited on the date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.

28. Payment of Sums Due On Share Issues

The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

29. Surrender of Shares

The Directors may accept the surrender of any share which the Directors have resolved to have been forfeited upon such terms and conditions as may be agreed and, subject to any such terms and conditions, a surrendered share shall be treated as if it has been forfeited.

PART VI : TRANSFER OF SHARES

30. Form of Instrument of Transfer

Subject to such of the restrictions of these Articles and to such of the conditions of issue or transfer contained in these Articles as may be applicable, the shares of any Member may be transferred by-instrument in writing in any usual or common form or any other form which the Directors may approve.

31. Execution of Instrument of Transfer

- (a) The instrument of transfer of any share shall be executed by or on behalf of the transferor and, in cases where the share is not fully paid, by or on behalf of the transferee. The transferor shall be deemed to remain the Holder of the share until the name of the transferee is entered in the Register in respect thereof.
- (b) Notwithstanding the provisions of these Articles and subject to any regulations made under Section 1086 of the 2014 Act, title to any shares in the Company may also be evidenced and transferred without a written instrument in accordance with Section 1086 of the 2014 Act or any regulations made thereunder. The Directors shall have power to permit any class of shares to be held in uncertificated form and to implement or permit any arrangements they think fit for such evidencing and transfer which accord with such regulations or statutory provisions and in particular shall, where appropriate, be entitled to disapply or modify all or part of the provisions of these Articles with respect to the requirement for written instruments of transfer and share certificates, in order to give effect to such regulations.

32. Refusal to Register Transfers

- (a) The Directors in their absolute discretion may decline to register a transfer of a share:
 - (i) to or by a minor or person with a mental disorder as defined by the Mental Health Act 2001,
 - (ii) in accordance with Article 6(g)(iii), save in circumstances where that transfer is an approved transfer (as defined in Article 6(l)(iii)) which includes where the transfer results from a sale made through a stock exchange on which the Company's shares are normally traded; or
 - (iii) for the reasons outlined in Article 39 and in accordance with Article 41 where the transfer is in favour of any Non-Qualified Holder,

provided that the refusal to register the transfer does not prevent dealings in the shares from taking place on an open and proper basis.

- (b) The Directors may decline to recognise any instrument of transfer unless:
- (i) the instrument of transfer (being a transfer which is not effected in a manner permitted by Article 31(b)) is accompanied by the certificate of the shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer (save where the transferor is a Stock Exchange Nominee);
 - (ii) the instrument of transfer is in respect of one class of share only;
 - (iii) the instrument of transfer is in favour of not more than 4 (four) transferees;
 - (iv) the instrument of transfer is lodged at the Office or at such other place as the Directors may appoint;
 - (v) they are satisfied that all applicable consents, authorisations, permissions or approvals of any governmental body or agency in Ireland or any other applicable jurisdiction required to be obtained under relevant law prior to such transfer have been obtained; and
 - (vi) they are satisfied that the transfer would not violate the terms of any agreement to which the Company (or any of its subsidiaries) and the transferor are part or subject.
- (c) The Directors may decline to register any transfer of shares in uncertificated form only in such circumstances as may be permitted or required by the 1996 Regulations.

33. Procedure on Refusal

If the Directors refuse to register a transfer then, within 2 (two) months after the date on which the transfer was lodged with the Company, they shall send to the transferee notice of the refusal.

34. Closing of Transfer Books

35. Absence of Registration Fees

No fee shall be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share.

36. Retention of Transfer Instruments

The Company shall be entitled to retain any instrument of transfer which is registered, but any instrument of transfer which the Directors refuse to register shall be returned to the person lodging it when notice of the refusal is given.

37. Renunciation of Allotment

Nothing in these Articles shall preclude the Directors from recognising a renunciation of the allotment of any shares by the allottee in favour of some other person.

The Directors may impose such restrictions as they may think necessary for the purpose of ensuring that no shares in the Company are acquired or held by or

transferred to any person in breach of the law or requirements of any country or governmental or regulatory authority or whose ownership of shares in the Company may:

- (a) cause the Company to be required to register as an “investment company” under the US Investment Company Act or to lose an exemption or status thereunder to which it might otherwise be entitled;

40. Prohibition on Acquisition of Shares in the Company

A person may not acquire shares in the Company, either as part of an initial allotment of shares in the Company or subsequently, if such person is a Non-Qualified Holder. Each purchaser and transferee of shares in the Company will be required to represent, warrant and covenant, or will be deemed to have represented, warranted and covenanted, for the benefit of the Company, its affiliates and advisers that:

- (a) it is not a Non-Qualified Holder;
- (b) no portion of the assets it uses to purchase, and no portion of the assets it uses to hold, the shares in the Company or any beneficial interest therein constitutes or will constitute the assets of a Benefit Plan Investor or a Controlling Person other than, in the case of Benefit Plan Investors, shareholders that acquire the shares in the Company on or prior to Admission with the written consent of the Company, and, in the case of Controlling

Persons, shareholders that acquire the shares in the Company with the written consent of the Company;

- (c) if it is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of such share in the Company does not and will not constitute or result in a non-exempt prohibited transaction under ERISA or Section 4975 of the US Code; and
- (d) if a Holder is a governmental, church, non-US or other plan, (i) it is not, and for so long as it holds such shares in the Company or interest therein will not be, subject to any federal, state, local, non-US or other laws or regulations that could cause the underlying assets of the Company to be treated as assets of the Holder by virtue of its interest in the shares in the Company and thereby subject the Company (or any persons responsible for the investment and operation of the Company's assets) to laws or regulations that are substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the US Code and (ii) its acquisition, holding and disposition of such shares in the Company will not constitute or result in a non-exempt violation of any Similar Law.

41. Refusal to Register Transfers in Favour of any Non-Qualified Holder

The Board may refuse to register a transfer of shares in the Company if the transfer is in favour of any Non-Qualified Holder.

42. Notification of Non-Qualified Holder Status

- (a) The Directors may at any time give notice in writing to any Holder requiring him, within such period as may be specified in the notice (being 7 (seven) days from the date of service of the notice or such shorter or longer period as the Directors may specify in the notice), to deliver to the Company at the Office such information, certificates and statutory declaration as to his place of residence, citizenship or domicile and any such information as the Directors may require to establish that such person is not a Non-Qualified Holder or is otherwise qualified to hold shares in the Company.
- (b) If any Holder becomes aware that he is, or is likely to be, a Non-Qualified Holder or is otherwise holding or owning shares in the Company in breach of any law or requirement of any country or governmental authority or by virtue of which he is not qualified to hold such shares in the Company, he shall forthwith, unless he has already received a notice pursuant to Article 43(a), (i) transfer all his shares in the Company to one or more persons who are not Non-Qualified Holders or (ii) give a request in writing to the Directors for the issue of a Transfer Notice in accordance with the provisions referred to in Article 43 below. Every such request shall, in the case of certificated shares in the Company, be accompanied by the certificate(s) for the shares in the Company to which it relates.

43. Obligation to Dispose

- (a) If it shall come to the notice of the Board that any shares in the Company are owned directly, indirectly, or beneficially by a person who is, or may be, a

Non-Qualified Holder, the Board may at any time give written notice to such person (a “**Transfer Notice**”) requiring him to sell or transfer his shares in the Company to a person who is not a Non-Qualified Holder within 14 (fourteen) days and within such 14 (fourteen) days to provide the Company with satisfactory evidence of such sale or transfer.

- (b) Pending such sale or transfer the Directors may, in their absolute discretion, at any time by notice to such Holder of such shares in the Company direct that in respect of such shares in the Company the Member shall not be entitled to attend or to vote either personally or by proxy at a general meeting of the Company or a meeting of the Holders of any class of shares of the Company or to exercise any other rights conferred by membership in relation to general meetings of the Company or meetings of the Holders of any class of shares of the Company and (to the extent permitted from time to time by the Listing Rules of the Irish Stock Exchange and the Listing Rules of the UK Listing Authority) except in a liquidation of the Company, no payment shall be made of any sums due from the Company on such shares, whether in respect of capital or dividend or otherwise, and the Company shall not have any liability to pay interest on any such payment when it is finally paid to the Member and no other distribution shall be made on such shares in the Company.

44. Mandatory Disposal

- (a) If any person upon whom such a Transfer Notice is served pursuant to Article 43(a) does not within 14 (fourteen) days after such Transfer Notice either (i) transfer his shares in the Company to a person who is not a Non-Qualified Holder or (ii) establish to the satisfaction of the Directors (whose judgment shall be final and binding) that he is not a Non-Qualified Holder, the Directors may in their sole discretion arrange for the Company to sell such shares in the Company (a “**Mandatory Disposal**”) to a person who is not a Non-Qualified Holder (an “**Eligible Transferee**”). For this purpose, the Directors may make such arrangements as they deem appropriate. In particular, without limitation, they may authorise any Director or other officer or (if any) employee of the Company to execute any transfer or other document on behalf of the Holder or Holders of the relevant shares and, in the case of shares in uncertificated form, may make such arrangements as they think fit on behalf of the relevant Holder or Holders to transfer title to the relevant shares. The Eligible Transferee shall be entered in the Register as the Holder of the relevant shares comprised in any such transfer and he shall not be bound to see to the application of the relevant purchase moneys nor shall his title to the relevant shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale, and after the name of the Eligible Transferee has been entered in the Register, the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.
- (b) Any sale pursuant to paragraph (a) above of this Article shall be at the price which the Directors consider is the best price reasonably obtainable and the Directors shall not be liable to the Holder or Holders of the relevant shares for any alleged deficiency in the amount of the sale proceeds or any other matter relating to the sale.

- (c) The net proceeds of the sale of any share under paragraph (b) above of this Article (less the expenses of sale) shall be paid over by the Company to the former Holder or Holders of the relevant shares upon surrender of any certificate or other evidence of title relating to them, without interest. The receipt of the Company shall be a good discharge for the purchase money.
- (d) The Directors shall not be obliged to serve any notice required under this Part VII upon any person if they do not know either his identity or his address. The absence of service of such a notice in such circumstances or any accidental error in or failure to give any notice to any person upon whom notice is required to be served under this Part VII shall not prevent the implementation of or invalidate any procedure under this Part VII.
- (e) The provisions of Articles 126 to 132 (inclusive) shall apply to the service upon any person of any notice required by this Part VII. Any notice required by this Part VII to be served upon a person who is not a Member or upon a person who is a Member but whose address is not within Ireland and who has failed to supply to the Company an address within Ireland shall be deemed validly served if such notice is sent through the post in a pre-paid cover addressed to that Member or person at the address (if any) at which the Directors believe him to be resident or carrying on business or, in the case of a holder of depositary receipts or similar securities, to the address, if any, in the register of holders of the relevant securities. Service shall, in such a case, be deemed to be effected on the day of posting and it shall be sufficient proof of service if that notice was properly addressed, stamped and posted.

45. General

- (a) The Directors shall be entitled to presume without enquiry, unless any Director has reason to believe otherwise, that a person is not a Non-Qualified Holder.
- (b) If at any time the Directors believe that a Non-Qualified Holder has an interest in any shares in the Company then the Directors shall be required to invoke the above provisions of Part VII unless the Directors determine that the continued interest in the shares in the Company by the Non-Qualified Holder shall not result in the Company not being in compliance with the US Investment Company Act, the US Exchange Act or ERISA, the US Code or any applicable federal, state, local, non-US or other laws or regulations that are substantially similar to section 406 of ERISA or Section 4975 of the US Code.
- (c) The Directors shall be under no liability to any other person or, so long as the Directors act reasonably and in good faith, to the Company, and the Company shall be under no liability to any Member or any other person, for identifying or failing to identify any person as a Non-Qualified Holder or performing or exercising their duties, powers, rights or discretions under this Part VII in relation to such Shares.
- (d) The Directors shall not be required to give any reasons for any decision or determination (including any decision or determination not to take action in respect of a particular person) pursuant to this Part VII and any such determination or decision shall be final and binding on all persons unless and until it is revoked or changed by the Directors. Any disposal or transfer made

or other thing done by or on behalf of the Board or any Director pursuant to this Part VII shall be binding on all persons and shall not be open to challenge on any ground whatsoever.

PART VIII : TRANSMISSION OF SHARES

46. Death of a Member

If a Member dies the survivor or survivors where he was a joint Holder, and his personal representatives where he was a sole Holder or the only survivor of joint Holders, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased Member from any liability in respect of any share which had been jointly held by him.

47. Transmission on Death or Bankruptcy

A person becoming entitled to a share in consequence of the death, bankruptcy, liquidation or insolvency of a Member, or otherwise becoming entitled to a share by operation of law, directive or regulation (whether of the State, the European Union, or any other jurisdiction) may elect, upon such evidence being produced as the Directors may properly require (including, without limitation, information as the Directors may require to establish whether following such election such shares concerned would form part of a Substantial Shareholding), either to become the Holder of the share or to have some person nominated by him registered as the transferee but the Directors shall in either case have the like power of declining or refusing to register such transfer as is provided with respect to ordinary transfers. If he elects to become the Holder he shall give notice to the Company to that effect and, where the Directors are satisfied with the evidence of title produced to them, they may register such persons as the holder of the share, subject to the other provisions of these Articles and of the 2014 Act. If he elects to have another person registered he shall execute an instrument of transfer of the share to that person. All of these Articles relating to the transfer of shares shall apply to the notice or instrument of transfer as if it were an instrument of transfer executed by the Member and the death or bankruptcy of the Member had not occurred.

48. Rights before Registration

A person becoming entitled to a share in the Company by reason of the death, bankruptcy, liquidation or insolvency of a Member (upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share, including, without limitation, information as the Directors may require to establish whether such shares concerned would form part of a Substantial Shareholding) shall have the rights to which he would be entitled if he were the Holder of the share (including, without limitation, the right to receive and give a valid discharge for any dividends, distributions or other moneys payable on or in respect of the share) except that, before being registered as the Holder of the share, he shall not be entitled in respect of it to attend or vote at any meeting of the Company or at any separate meeting of the Holders of any class of shares in the Company, so, however, that the Directors, at any time, may give notice requiring any such person to elect either to be

registered himself or to transfer the share and, if the notice is not complied with within 90 (ninety) days, the Directors thereupon may withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with. For the avoidance of doubt, any person becoming entitled to a share by reason of the death, bankruptcy, liquidation or insolvency of a Member, but before being registered as the Holder of the share, shall be bound by the provisions of these Articles as if he were the Holder of the share (including but without limitation by Part XXIII of these Articles).

PART IX : ALTERATION OF SHARE CAPITAL

49. Increase of Capital

- (a) The Company from time to time by ordinary resolution may increase the share capital by such sum, to be divided into shares of such amount, as the resolution shall prescribe.
- (b) Subject to the provisions of the 2014 Act and these Articles, the new shares shall be issued to such persons, upon such terms and conditions and subject to Article 39 with such rights and privileges annexed thereto as the general meeting resolving upon the creation thereof shall direct and, if no direction be given, as the Directors shall determine and in particular such shares may be issued with a preferential or qualified right to dividends and in the distribution of the assets of the Company and with a special, or without any, right of voting.
- (c) Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new shares shall be considered part of the pre-existing ordinary capital and shall be subject to the provisions herein contained with reference to calls and instalments, transfer and transmission, forfeiture, lien and otherwise.

50. Consolidation, Sub-Division and Cancellation of Capital

The Company, by ordinary resolution, may:

- (a) consolidate and divide all or any of its share capital into shares of larger amount;
- (b) subject to the provisions of the 2014 Act, subdivide its shares, or any of them, into shares of smaller amount, so however that in the sub-division the proportion between the amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived (and so that the resolution whereby any share is sub-divided may determine that, as between the Holders of the shares resulting from such subdivision, one or more of the shares may have, as compared with the others, any such preferred, deferred or other rights or be subject to any such restrictions as the Company has power to attach to unissued or new shares); or

- (c) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and reduce the amount of its authorised share capital by the amount of the shares so cancelled.

51. Fractions on Consolidation

Subject to the provisions of these Articles, whenever as a result of a consolidation of shares any Members would become entitled to fractions of a share, the Directors may sell, on behalf of those Members, the shares representing the fractions for the best price reasonably obtainable to any person and distribute the proceeds of sale in due proportion among those Members, and the Directors may authorise some person to execute an instrument of transfer of the shares to, or in accordance with the directions of, the purchaser. The transferee shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.

52. Purchase of Own Shares

Subject to and in accordance with the provisions of the 2014 Act and these Articles and without prejudice to any relevant special rights attached to any class of shares, the Company may purchase any of its own shares of any class (including redeemable shares) at any price (whether at par or above or below the nominal value thereof), and so that any shares to be so purchased may be selected in any manner whatsoever and cancelled or held by the Company as treasury shares. The Company shall not make a purchase of shares in the Company unless the purchase has first been authorised by a special resolution of the Company and by a special resolution passed at a separate general meeting of the Holders of each class of shares (or the prior written consent of the Holders of three-fourths in nominal value of each class of shares) and a resolution passed by a majority representing three-fourths of the voters at a separate general meeting of the Holders of the Company's loan stock (if any), which, at the date on which the purchase is authorised by the Company in general meeting, entitle them, either immediately or at any time subsequently, to convert all or any of the shares or loan stock of that class held by them into equity share capital of the Company. Neither the Company nor the Directors shall be required to select the shares to be purchased rateably or in any particular manner as between the holders of shares of the same class or as between them and the holders of shares of any other class or in accordance with the rights as to dividends or capital conferred by any class of shares. Notwithstanding anything to the contrary contained in these Articles, the rights attached to any class of shares shall be deemed not to be varied by anything done by the Company pursuant to this Article.

53. Reduction of Capital

The Company, by special resolution, may reduce its share capital, any capital redemption reserve fund or any share premium account in any manner and with, and subject to the 2014 Act, any incident authorised, and consent required, by law.

PART X : GENERAL MEETINGS

54. Annual General Meetings

The Company shall hold in each year a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notices calling it. Not more than 15 (fifteen) months shall elapse between the date of one annual general meeting and that of the next.

55. Extraordinary General Meetings

All general meetings other than annual general meetings shall be called extraordinary general meetings.

56. Convening General Meetings

The Directors may convene general meetings. Extraordinary general meetings may also be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as may be provided by the 2014 Act. If at any time there are not within the State sufficient Directors capable of acting to form a quorum, any Director or, if there are no Directors, any 2 (two) Members may convene an extraordinary general meeting in the same manner as nearly as possible as that in which general meetings may be convened by the Directors. All general meetings of the Company shall be held in the State unless otherwise determined by ordinary resolution of the Members.

57. Class Meetings

All provisions of these Articles relating to general meetings of the Company shall, *mutatis mutandis*, apply to every separate general meeting of the Holders of any class of shares in the capital of the Company, except that:

- (a) the necessary quorum shall be 2 (two) or more persons holding or representing by proxy at least one-third in nominal value of the issued shares of the class or, at any adjourned meeting of such Holders, one Holder present in person or by proxy, whatever the amount of his holding, shall be deemed to constitute a meeting; and
- (b) any Holder of shares of the class present in person or by proxy may demand a poll; and
- (c) on a poll, each Holder of shares of the class shall have one vote in respect of every share of the class held by him.

58. Notice of General Meetings

- (a) Subject to Sections 181 and 191 of the 2014 Act, an annual general meeting and an extraordinary general meeting called for the passing of a special resolution shall be called by at least 21 (twenty-one) Clear Days' notice (whether in electronic form or otherwise) and all other extraordinary general meetings shall be called by 14 (fourteen) Clear Days' notice (whether in

electronic form or otherwise), so, however, that a meeting of the Company shall, notwithstanding that it is called by shorter notice than that specified in this Article, be deemed to have been duly called if it is so agreed by the Auditors and by all the Members entitled to attend and vote thereat.

- (b) Notices of general meetings shall comply with all of the provisions of the 2014 Act relating thereto. Without prejudice to this requirement, any notice convening a general meeting shall specify the time and place of the meeting and, in the case of special business, the general nature of that business and, in reasonable prominence, that a Member entitled to attend and vote is entitled to appoint a proxy or where that is allowed, one or more proxies, to attend, speak and vote in his place and that a proxy need not be a Member. It shall also give particulars of any Directors who are to retire by rotation or otherwise at the meeting and of any persons who are recommended by the Directors for appointment or re-appointment as Directors at the meeting or in respect of whom notice has been duly given to the Company of the intention to propose them for appointment or re-appointment as Directors at the meeting. Provided that the latter requirement shall only apply where the intention to propose the person for appointment or re-appointment has been received by the Company in sufficient time for it to be included in the notice to be sent to Members of the meeting. Subject to any restrictions imposed on any shares, the notice of the meeting shall be given to all the Members and to the Directors and the Auditors.
- (c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
- (d) Where, by any provision contained in the 2014 Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than 28 (twenty-eight) days (or such shorter period as the 2014 Act permits) before the meeting at which it is moved, and the Company shall give to the Members notice of any such resolution as required by and in accordance with the provisions of the 2014 Act.
- (e) If the Directors, in their absolute discretion, consider that it is impractical or unreasonable for any reason to hold a general meeting on the date or at the time or place specified in the notice calling the general meeting, they may postpone the general meeting to another date, time and place. When a meeting is so postponed, notice of the date, time and place of the postponed meeting shall be placed in at least two national newspapers in Ireland. Notice of the business to be transacted at such postponed meeting shall not be required.

PART XI : PROCEEDINGS AT GENERAL MEETINGS

59. Quorum for General Meetings

- (a) No business other than the appointment of a chairman shall be transacted at any general meeting unless a quorum of Members is present at the time

when the meeting proceeds to business. Except as provided in relation to an adjourned meeting, 3 (three) persons entitled to vote upon the business to be transacted, each being a Member or a proxy for a Member or a duly authorised representative of a corporate Member, shall be a quorum.

- (b) If such a quorum is not present within 30 (thirty) minutes from the time appointed for the meeting, or if during the meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such time and place as the Directors may determine. If at the adjourned meeting such a quorum is not present within 30 (thirty) minutes from the time appointed for the meeting, the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, 2 (two) persons entitled to be counted in a quorum present at the meeting shall be a quorum.

60. Special Business

- (a) All business shall be deemed special that is transacted at an extraordinary general meeting. All business that is transacted at an annual general meeting shall also be deemed special, with the exception of:
 - (i) declaring a dividend;
 - (ii) the consideration of the accounts, balance sheets and reports of the Directors and Auditors;
 - (iii) the election of Directors in the place of those retiring (whether by rotation or otherwise) or ceasing to hold office pursuant to Article 95 and to fix their remuneration if required;
 - (iv) the re-appointment of the retiring Auditors and the fixing of the remuneration of the Auditors; and
 - (v) pursuant to and in accordance with the 2014 Act, the consideration of a special resolution reducing the period of notice for the calling of an extraordinary general meeting (other than a meeting called for the passing of a special resolution) to 14 (fourteen) Clear Days.
- (b) Without prejudice to Sections 146(3)(a) or 396(2)(a) of the 2014 Act, if a resolution is to be tabled for an item on the agenda of an extraordinary general meeting under Section 1104(1)(b) of the 2014 Act, it must be received by the Company in hardcopy form or in electronic form at the address or addresses specified by the Company at least 30 (thirty) days before the meeting to which it relates.
- (c) At any general meeting the Chairman shall be entitled, on the application of any person or on his own initiative:
 - (i) to rule as to whether or not:
 - (A) any business or matter under consideration or discussion is properly under consideration or discussion;

- (B) any point of order has been properly raised;
- (ii) to enquire of an individual in attendance whether or not such individual participating or the person represented by such individual (other than by voting or abstaining from voting) in any consideration or discussion of any matter has, other than through ownership of shares in the Company, a direct or indirect interest in a matter under consideration or discussion and if so to require that such individual declares the nature and extent of such interest to the meeting;
- (iii) in the event of such individual refusing to respond or to declare the nature and extent of such interest under (ii) above to the satisfaction of the Chairman or, having done so, the Chairman is of the view that such individual's participation in the consideration or discussion of the matter in question is motivated primarily by an interest in such matter other than one derived from ownership of shares in the Company, to require that such individual ceases speaking on the matter;
- (iv) to require that any person who in breach of the Chairman's ruling, prevents the proper conduct of a meeting remove himself or be removed;

and the Chairman's ruling on such matters shall be conclusive and bind those present.

61. Chairman of General Meetings

- (a) The chairman of the board of Directors or, in his absence, the deputy chairman (if any) or, in his absence, some other Director nominated by the Directors, shall preside as chairman at every general meeting of the Company. If at any general meeting none of such persons shall be present within 15 (fifteen) minutes after the time appointed for the holding of the meeting and willing to act, the Directors present shall elect one of their number to be chairman of the meeting and, if there is only one Director present and willing to act, he shall be chairman.
- (b) If at any meeting no Director is willing to act as chairman or if no Director is present within 15 (fifteen) minutes after the time appointed for holding the meeting, the Members present and entitled to vote shall choose one of the Members personally present to be chairman of the meeting.
- (c) If it appears to a chairman of a general meeting that the place of the meeting specified in the notice is inadequate to accommodate all persons entitled and wishing to attend, the meeting is duly constituted and its proceedings are valid if the chairman is satisfied that adequate facilities are available, whether at the place of the meeting or elsewhere, to ensure that each such person who is unable to be accommodated at the place of the meeting is able to communicate simultaneously and instantaneously with the persons present at the place of the meeting, whether by the use of microphones, loud-speakers, audio-visual or other communications equipment or facilities.
- (d) Where there is an equality of votes, whether on a show of hands or on a poll the chairman of the meeting at which the show of hands takes place or at

which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.

62. Directors' and Auditors' Right to Attend General Meetings

A Director shall be entitled, notwithstanding that he is not a Member, to attend and speak at any general meeting and at any separate meeting of the Holders of any class of shares in the Company. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as the Auditors.

63. Adjournment of General Meetings

- (a) The Chairman, with the consent of a meeting at which a quorum is present, may (and if so directed by the meeting, shall) adjourn the meeting from time to time (or sine die) and from place to place.
- (b) The Chairman may, also at any time in his discretion without the consent of the meeting at which a quorum is present, adjourn any meeting (whether or not it has commenced or a quorum is present) either sine die or to another time and place where it appears to him that:
 - (i) the Members wishing to attend cannot be conveniently accommodated in the place appointed for the meeting; or
 - (ii) the conduct of any of the Members or other persons present prevents, or is likely in the opinion of the chairman to prevent, the safe and/or orderly continuation of business; or
 - (iii) an adjournment is otherwise necessary so that the business of the meeting may be properly conducted.
- (c) No business shall be transacted at any adjourned meeting pursuant to Article 58(e) or paragraph (a) or (b) above, other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for 14 (fourteen) days or more or sine die, at least 7 (seven) Clear Days' notice shall be given specifying the time and meeting and the general nature of the business to be transacted. Save as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

64. Security Arrangements

The Board may make any security arrangements which it considers appropriate relating to the holding of a general meeting of the Company or for any separate general meeting of the Holders of any class of shares in the capital of the Company including, without limitation, arranging for any person attending a meeting to be searched and for items of personal property which may be taken into a meeting to be restricted, and for any person who fails to comply with any such arrangements may be refused entry to the meeting.

65. Determination of Resolutions

At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands a poll is duly demanded. Unless a poll is so demanded a declaration by the Chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution. The demand for a poll may be withdrawn before the poll is taken but only with the consent of the Chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

66. Entitlement to Demand Poll

Subject to the provisions of the 2014 Act, a poll may be demanded:

- (a) by the chairman of the meeting;
- (b) by at least 3 (three) Members present (in person or by proxy) having the right to vote at the meeting;
- (c) by any Member or Members present (in person or by proxy) representing not less than one-tenth of the total voting rights of all the Members having the right to vote at the meeting; or
- (d) by a Member or Members present (in person or by proxy) holding shares in the Company conferring the right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right.

67. Taking of a Poll

- (a) Save as provided in paragraph (b) of this Article and subject to the requirements of the 2014 Act, a poll shall be taken in such manner as the Chairman directs and he may (but shall not be required to) appoint scrutineers (who need not be Members) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- (b) A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than 30 (thirty) days after the poll is demanded) and place as the chairman of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- (c) No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded.

In any other case at least 7 (seven) Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.

- (d) On a poll taken at a meeting of the Company or a meeting of any class of Members, a Member, whether present in person or by proxy, entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
- (e) Subject to such requirements and restrictions as the Directors may specify, the Company may permit Members to vote by correspondence in advance of a general meeting in respect of one or more of the resolutions proposed at a meeting. Where the Company permits Members to vote by correspondence, it shall only count votes cast in advance by correspondence, where such votes are received at the address and before the date and time specified by the Company, provided the date and time is no more than 24 (twenty-four) hours before the time at which the vote is to be concluded.
- (f) Subject to such requirements and restrictions as the Directors may specify, the Company may permit Members who are not physically present at a meeting to vote by electronic means at a general meeting in respect of one or more of the resolutions proposed at a meeting.
- (g) Where a Member requests a full account of a vote before or on the declaration of the result of the vote at a general meeting, then with respect to each resolution proposed at a general meeting the Company shall establish:
 - (i) the number of shares for which votes have been validly cast;
 - (ii) the proportion of the Company's issued share capital at close of business on the day before the meeting represented by those votes;
 - (iii) the total number of votes validly cast; and
 - (iv) the number of votes cast in favour of and against each resolution and if counted, the number of abstentions.
- (h) Where no Member requests a full account of the voting before or on the declaration of the result of the vote at general meeting, it shall be sufficient for the Company to establish the voting results only to the extent necessary to ensure that the required majority is reached for each resolution. The Company shall ensure that a voting result established in accordance with this Article is published on its internet site not later than the end of the 15th (fifteenth) day after the date of the meeting at which the voting result was obtained.

68. Votes of Members

- (a) A person shall be entered on the Register by the Record Date specified in respect of a general meeting in order to exercise the right of a Member to participate and vote at the general meeting and any change to an entry on the Register after the Record Date shall be disregarded in determining the right of any person to attend and vote at the meeting.

- (b) Votes may be given either personally or by proxy or a duly authorised representative of a corporate Member. Subject to any rights or restrictions for the time being attached to any class or classes of shares, on a show of hands every Member present in person or by proxy or by a duly authorised representative of a corporate Member shall have one vote, so, however, that no individual shall have more than one vote, and on a poll every Member present in person or by proxy or a duly authorised representative of a corporate Member shall have one vote for every share carrying voting rights of which he or it is the Holder. On a poll, a Member entitled to more than one vote need not use all his votes or, if he votes, cast all the votes he uses in the same way.
- (c) Subject to Section 191 of the 2014 Act, a resolution in writing signed by all the Members for the time being entitled to vote on such resolution at a general meeting shall be valid and effective for all purposes as if the resolution had been passed at a general meeting of the company duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a special resolution shall be deemed to be a special resolution within the meaning of the 2014 Act. Any such resolution shall be served on the Company.

69. Voting by Joint Holders

Where there are joint Holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, in respect of such share shall be accepted to the exclusion of the votes of the other joint Holders; and for this purpose seniority shall be determined by the order in which the names of the Holders stand in the Register in respect of the share.

70. Voting by Incapacitated Holders

A Member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in the State or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll, by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person appointed by that court may vote by proxy on a show of hands or on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be received at the Office or at such other address as is specified in accordance with these Articles for the receipt of appointments of proxy, not less than 48 (forty-eight) hours before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

71. Default in Payment of Calls

Unless the Directors otherwise determine, no Member shall be entitled to vote at any general meeting or any separate meeting of the Holders of any class of shares in the Company, either in person or by proxy, or to exercise any privilege as a Member in respect of any share held by him unless all moneys then payable by him in respect of that share have been paid.

72. Restriction of Voting and Other Rights for Failure to Pay a Call

- (a) In addition to the rights of the Directors to serve a Disenfranchisement Notice on any Member in accordance with Article 6, if at any time the Directors shall determine that a Specified Event (as defined below in paragraph (f) of this Article shall have occurred in relation to any share or shares the Directors may serve a notice to such effect on the Holder or Holders thereof. Upon the service of any such notice (in these Articles referred to as a “**Restriction Notice**”) no Holder or Holders of the share or shares specified in such Restriction Notice shall be entitled, for so long as such Restriction Notice shall remain in force:
- (i) to attend or vote at any general meeting or either personally or by proxy;
 - (ii) except in a liquidation of the Company, to receive any payment of sums due from the Company in respect of their shares, whether in respect of capital or dividend or otherwise, and the Company shall not have any liability to pay interest on any such payment when it is finally paid to the Member (but the provisions of this sub-paragraph (i) shall apply only to the extent permitted from time to time by the Listing Rules of the Irish Stock Exchange and the Listing Rules of the UK Listing Authority; or
 - (iii) to receive any other distribution on their shares;
- (b) A Restriction Notice shall be cancelled by the Directors as soon as reasonably practicable, but in any event not later than 48 (forty-eight) hours after the Holder or Holders concerned shall have remedied the default by virtue of which the Specified Event shall have occurred. A Restriction Notice shall automatically cease to have effect in respect of any share transferred upon registration of the relevant transfer provided that a Restriction Notice shall not cease to have effect in respect of any transfer where no change in the beneficial ownership of the share shall occur and for this purpose it shall be assumed that no such change has occurred where a transfer form in respect of the share is presented for registration having been stamped at a reduced rate of stamp duty (or exempt from stamp duty) by virtue of the transferor or transferee claiming to be entitled to such reduced rate or exemption as a result of the transfer being one where no beneficial interest passes.
- (c) The Directors shall cause a notation to be made in the Register against the name of any Holder or Holders in respect of whom a Restriction Notice shall have been served indicating the number of shares specified in such Restriction Notice and shall cause such notation to be deleted upon cancellation or cesser of such Restriction Notice.
- (d) Any determination of the Directors and any notice served by them pursuant to the provisions of this Article shall be conclusive as against the Holder or Holders of any share and the validity of any notice served by the Directors in pursuance of this Article shall not be questioned by any person.
- (e) If, while any Restriction Notice shall remain in force in respect of any Holder or Holders of any shares, such Holder or Holders shall be issued with any further shares as a result of such Holder or Holders not renouncing any

allotment of shares made to him or them pursuant to a capitalisation issue under Part XXI of these Articles, the Restriction Notice shall be deemed also to apply to such Holder or Holders in respect of such further shares on the same terms and conditions as were applicable to the said Holder or Holders immediately prior to such issue of further shares.

- (f) For the purpose of these Articles the expression “**Specified Event**” in relation to any share shall mean the failure by the Holder or Holders thereof to pay any call or instalment of a call in the manner and at the time appointed for payment thereof.
- (g) For the purpose of establishing whether or not the terms of any notice given under this Article shall have been complied with the decision of the Directors in this regard shall be final and conclusive and shall bind all persons interested.
- (h) Nothing contained in this Article shall limit the power of the Company or the Directors under Section 1066 of the 2014 Act and Article 6 (as the case may be).

73. Time for Objection to Voting

No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered and every vote not disallowed at such meeting shall be valid. Any such objection made in due time shall be referred to the chairman of the meeting whose decision shall be final and conclusive.

74. Appointment of Proxy

- (a) Every Member entitled to attend and vote at a general meeting may appoint a proxy or proxies to attend, speak, ask questions relating to items on the agenda subject to Section 1107 of the 2014 Act, and vote on his behalf provided that, where a Member appoints more than one proxy in relation to a general meeting, each proxy must be appointed to exercise the rights attached to a different share or shares held by him. The appointment of a proxy shall be in writing in any usual form or in any other form which the Directors may approve and shall be signed by or on behalf of the appointer. The signature on such appointment need not be witnessed. A body corporate may sign a form of proxy under its common seal, under the hand of a duly authorised officer thereof or in such manner as the Directors may approve. A proxy need not be a Member. A Member shall be entitled to appoint a proxy by electronic means, to an address specified by the Company.
- (b) Without limiting the foregoing, in relation to any shares which are held in uncertificated form, the directors may from time to time permit appointments of a proxy to be made by means of an electronic communication in the form of an Uncertificated Proxy Instruction (that is, a properly authenticated dematerialised instruction, and/or other instruction or notification, which is sent by means of the relevant system concerned and received by such participant in that system acting on behalf of the Company as the Directors may prescribe, in such form and subject to such terms and conditions as may from time to time be prescribed by the Directors (subject always to the

facilities and requirements of the relevant system concerned)) and may in a similar manner permit supplements to, or amendments or revocations of, any such Uncertificated Proxy Instruction to be made by like means. The Directors may in addition prescribe the method of determining the time at which any such properly authenticated dematerialised instruction (and/or other instruction or notification) is to be treated as received by the Company or such participant. The Directors may treat any such Uncertificated Proxy Instruction which purports to be or is expressed to be sent on behalf of a Holder of a share as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Holder.

75. Bodies corporate acting by representatives at meetings

- (a) Any body corporate which is a Member, or a proxy for a Member, may, by resolution of its Directors or other governing body, authorise such person or persons as it thinks fit to act as its representative or representatives at any meeting of the Company or any class of Members, and any person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Member. Where a Member appoints more than one representative in relation to a general meeting, each representative must be appointed to exercise rights attached to a different share or shares held by the Member.
- (b) The Company shall not be obliged to establish or verify whether any representative or representatives of any Member which is a body corporate has voted or acted in accordance with any instructions (whether express or implied, and whether written or oral) given to him or them by any such Member or by any other person, whether acting on behalf of any such Member or otherwise, and votes cast, actions taken or polls demanded by any such representative or representatives shall not be regarded as invalid or ineffective where such representative or representatives has or have (as the case may be) not voted or acted in accordance with any such instructions.

76. Receipt of Proxy Appointment

Where the appointment of a proxy and any authority under which it is signed, or a copy of such authority certified notarially or in some other way approved by the Directors is to be received by the Company:

- (a) in physical form it shall be deposited at the Office or (at the option of the Member) at such other place or places (if any) as may be specified for that purpose in or by way of note to the notice convening the meeting;
- (b) in electronic form, it may be so received where an address has been specified by the Company for the purpose of receiving electronic communications:
 - (i) in the notice convening the meeting; or
 - (ii) in any appointment of proxy sent out by the Company in relation to the meeting; or

- (iii) in any invitation contained in an electronic communication to appoint a proxy issued by the Company in relation to the meeting;

provided that it is so received by the Company not less than 48 (forty-eight) hours before the time appointed for the holding of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used, and in default shall not be treated as valid or, in the case of a meeting which is adjourned to, or a poll which is to be taken on, a date which is less than 7 (seven) days after the date of the meeting which was adjourned or at which the poll was demanded, it shall be sufficient if the appointment of proxy and any such authority and certification thereof as aforesaid is so received by the Company at the commencement of the adjourned meeting or the taking of the poll. An appointment of proxy relating to more than one meeting (including any adjournment thereof) having once been so received for the purposes of any meeting shall not require to be delivered, deposited or received again for the purposes of any subsequent meeting to which it relates; and

- (c) when two or more valid but differing appointments of a proxy are received in respect of the same shares for use at the same meeting, the one bearing the later date shall be treated as replacing and revoking the other; if the appointments are undated the last one received shall be treated as valid; and if the Company is unable to determine which was the last received, none shall be treated as valid, and a certificate endorsed by the Secretary stating that the appointment is valid or invalid, as the case may be, shall be conclusive for all purposes.

77. Effect of Proxy Appointments

- (a) A proxy shall have the right to exercise all or any of the rights of his appointer, or (where more than one proxy is appointed) all or any of the rights attached to the shares in respect of which he has appointed the proxy to attend, to demand or join in demanding a poll, to ask questions relating to items on the agenda subject to Section 1107 of the 2014 Act and to speak and vote at a general meeting of the Company. Unless his appointment provides otherwise, a proxy may vote or abstain in his discretion on any resolution put to the vote.
- (b) Subject always to the provisions of the 2014 Act, the appointment, and notification of any revocation of appointment of, a proxy, and the giving of voting instructions to a proxy shall be subject to such formal requirements as the Directors from time to time in their absolute discretion may consider necessary in order to ensure the correct identification of a Member's appointment, to ensure the correct identification of a proxy acting on foot of such appointment, and to ensure the correct determination of a Member's voting instructions.
- (c) The Company shall not be obliged to establish or verify whether any proxy has voted or acted in accordance with any instructions (whether express or implied, and whether written or oral) given to him by a Member or by any other person, whether acting on behalf of a Member or otherwise, and votes cast, actions taken or polls demanded by a proxy shall not be regarded as invalid or ineffective where a proxy has not voted or acted in accordance with any such instructions.

78. Effect of Revocation of Proxy or of Authorisation

- (a) A vote given or poll demanded in accordance with the terms of an appointment of a proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the previous death, insanity or winding up of the principal or revocation of the appointment of proxy or of the authority under which the proxy was appointed or of the resolution authorising the representative to act or the transfer of the share in respect of which the proxy was appointed or the authorisation of the representative to act was given, if no intimation in writing (whether in electronic form or otherwise) of such death, insanity, winding up, revocation or transfer as aforesaid is received by the Company at the Office at least 1 (one) hour before the commencement of the meeting or adjourned meeting at which the appointment of proxy is used or at which the representative acts provided however that where such intimation is given in electronic form it shall have been received by the Company at least 24 (twenty-four) hours (or such lesser time as the Directors may specify) before the commencement of the meeting.
- (b) The Directors may send, at the expense of the Company, by post, electronic mail or otherwise, to the Members forms for the appointment of a proxy (in such form as the Directors may approve and with or without stamped envelope for their return) for use at any general meeting or at any class meeting either in blank or nominating any one or more of the Directors or any other persons in the alternative. The proxy form must make provision for three-way voting on all resolutions intended to be proposed, other than resolutions which are merely procedural. If for the purpose of any meeting invitations to appoint as proxy a person or one of the number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the Members entitled to be sent a notice of the meeting and to vote thereat by proxy but the accidental omission to issue such invitation to, or the non-receipt to such invitations by, any Member shall not invalidate the proceedings at any such meeting.

PART XII : DIRECTORS

79. Number of Directors

Unless otherwise determined by the Company in general meeting, the number of Directors shall not be more than 9 (nine) nor less than 2 (two). The continuing Directors may act notwithstanding any vacancy in their body, provided that if the number of the Directors is reduced below the prescribed minimum the remaining Director or Directors shall appoint forthwith an additional Director or additional Directors to make up such minimum or shall convene a general meeting of the Company for the purpose of making such appointment. If there be no Director or Directors able or willing to act then any 2 (two) Members may summon a general meeting for the purpose of appointing Directors. Any additional Director so appointed shall hold office (subject to the provisions of the 2014 Act and these Articles) only until the conclusion of the annual general meeting of the Company next following such appointment unless he is re-elected during such meeting and he shall not retire

by rotation at such meeting or be taken into account in determining the Directors who are to retire by rotation at such meeting.

80. Share Qualification

A Director is not required to hold shares in the Company by way of share qualification.

81. Ordinary Remuneration of Directors

The ordinary remuneration of the Directors shall be determined from time to time by an ordinary resolution of the Company and shall be divisible (unless such resolution shall provide otherwise) among the Directors as they may agree, or, failing agreement, equally, except that any Director who shall hold office for part only of the period in respect of which such remuneration is payable shall be entitled only to rank in such division for a proportion of the remuneration related to the period during which he has held office.

82. Special Remuneration of Directors

Any Director who holds any executive office (including for this purpose the office of Chairman or Deputy Chairman) or who serves on any committee, or who otherwise performs services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director, including pursuant to any investment manager agreement to which the Company may be a party with IRES Fund Management Limited from time to time, may be paid such extra remuneration by way of salary, commission or otherwise as the Directors may determine.

83. Expenses of Directors

The Directors may be paid all travelling, hotel and other expenses properly incurred by them in connection with their attendance at meetings of Directors or committees of Directors or general meetings or separate meetings of the Holders of any class of shares or of debentures of the Company or otherwise in connection with the discharge of their duties.

84. Alternate Directors

- (a) Any Director may appoint in writing (whether in electronic form or otherwise) under his hand any person (including another Director) to be his alternate provided always that no such appointment of a person other than a Director as an alternate shall be operative unless and until such appointment shall have been approved by resolution of the Directors. Any such authority may be sent by delivery, post, cable, telegram, telex, telefax, electronic mail or any other means of communication approved by the Directors and may bear a printed, facsimile, electronic, or advanced electronic signature of the Director giving such authority.
- (b) An alternate Director shall be entitled, subject to his giving to the Company an address within the State or the United Kingdom, to receive notices of all meetings of the Directors and of all meetings of committees of Directors of

which his appointer is a Member, to attend and vote at any such meeting at which the Director appointing him is not personally present and in the absence of his appointer to exercise all the powers, rights, duties and authorities of his appointer as a Director (other than the right to appoint an alternate hereunder).

- (c) Save as otherwise provided in these Articles, an alternate Director shall be deemed for all purposes to be a Director and shall alone be responsible for his own acts and defaults and he shall not be deemed to be the agent of the Director appointing him. The remuneration of any such alternate Director shall be payable out of the remuneration paid to the Director appointing him and shall consist of such portion of the last mentioned remuneration as shall be agreed between the alternate and the Director appointing him.
- (d) A Director may revoke at any time the appointment of any alternate appointed by him. If a Director shall die or cease to hold the office of Director the appointment of his alternate shall thereupon cease and determine but if a Director retires by rotation or otherwise but is reappointed or deemed to have been re-appointed at the meeting at which he retires, any appointment of an alternate Director made by him which was in force immediately prior to his retirement shall continue after his reappointment.
- (e) Any appointment or revocation by a Director under this Article shall be effected by notice in writing (whether in electronic form or otherwise) given under his hand to the Secretary or deposited or received at the Office or in any other manner approved by the Directors.

PART XIII : POWERS OF DIRECTORS

85. Directors' Powers

- (a) Subject to the provisions of the 2014 Act, the Memorandum of Association of the Company and these Articles, the business of the Company shall be managed by the Directors who may do all such acts and things and exercise all the powers of the Company as are not by the 2014 Act or by these Articles required to be done or exercised by the Company in general meeting. No alteration of the Memorandum of Association of the Company or of these Articles and no such direction shall invalidate any prior act of the Directors which would have been valid if that alteration had not been made or that direction had not been given. The powers given by this Article shall not be limited by any special power given to the Directors by these Articles and a meeting of Directors at which a quorum is present may exercise all powers exercisable by the Directors.
- (b) Unless otherwise authorised by a special resolution of the Company, the Directors shall use all reasonable endeavours to manage the business of the Company in accordance with Part 25A of the TCA and otherwise in a manner so that the Company shall remain an Irish REIT at all times upon becoming an Irish REIT.

86. Power to Delegate

Without prejudice to the generality of the last preceding Article, the Directors may delegate any of their powers to any managing Director or any Director holding any other executive office and to any committee consisting of one or more Directors together with such other persons (if any) as may be appointed to such committee by the Directors provided that a majority of the members of each committee appointed by the Directors shall at all times consist of Directors and that no resolution of any such committee shall be effective unless a majority of the members of the committee present at the meeting at which it was passed are Directors. Any such delegation may be made subject to any conditions the Directors may impose and either collaterally with or to the exclusion of their own powers and may be revoked. Subject to any such conditions, the proceedings of a committee with 2 (two) or more members shall be governed by the provisions of these Articles regulating the proceedings of Directors so far as they are capable of applying.

87. Appointment of Attorneys

The Directors, from time to time and at any time by power of attorney under seal, may appoint any company, firm or person or fluctuating body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under these Articles) and for such period and subject to such conditions as they may think fit. Any such power of attorney may contain such provisions for the protection of persons dealing with any such attorney as the Directors may think fit and may authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him.

88. Local Management

Without prejudice to the generality of Article 86, the Directors may establish any committees, local boards or agencies for managing any of the affairs of the Company, either in the State or elsewhere, and may appoint any persons to be members of such committees, local boards or agencies and may fix their remuneration and may delegate to any committee, local board or agent any of the powers, authorities and discretions vested in the Directors with power to sub-delegate and any such appointment or delegation may be made upon such terms and subject to such conditions as the Directors may think fit, and the Directors may remove any person so appointed, and may annul or vary any such delegation, but no person dealing in good faith with any such committee, local board or agency, without notice of any such removal, annulment or variation shall be affected thereby.

89. Borrowing Powers

90. Execution of Negotiable Instruments

All cheques, promissory notes, drafts, bills of exchange and other negotiable instruments and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, by such person or persons and in such manner as the Directors shall determine from time to time by resolution.

PART XIV : APPOINTMENT AND RETIREMENT OF DIRECTORS

91. Retirement

- (a) At each annual general meeting of the Company, each Director, including those to whom the Listing Rules of the Irish Stock Exchange or the Listing Rules of the UK Listing Authority require to retire on an annual basis, shall retire from office.
- (b) Subject to Article 93, a Director who retires at an annual general meeting may be reappointed, if willing to act. If he is not reappointed (or deemed to be reappointed pursuant to these Articles) he shall retain office until the meeting appoints someone in his place or, if it does not do so, until the end of the meeting.

92. Deemed Reappointment

If the Company, at the meeting at which a Director retires by rotation, does not fill the vacancy then, subject to Article 93, the retiring Director, if willing to act, shall be deemed to have been re-appointed, unless at the meeting it is resolved not to fill the vacancy or a resolution for the reappointment of the Director is put to the meeting and lost.

93. Eligibility for Appointment

No person other than a Director retiring by rotation shall be appointed a Director at any general meeting unless (i) he is recommended by the Directors or (ii) not less than 7 (seven) nor more than 30 (thirty) Clear Days before the date appointed for the meeting, notice executed by a Member qualified to vote at the meeting has been given to the Company of the intention to propose that person for appointment stating the particulars which would be required, if he were so appointed, to be included in the Company's register of Directors together with notice executed by that person of his willingness to be appointed.

94. Appointment of Directors

- (a) Subject as aforesaid, the Company by ordinary resolution may appoint a person to be a Director either to fill a vacancy or as an additional Director and may also determine the rotation in which the additional Directors are to retire.
- (b) The Directors may appoint a person who is willing to act to be a Director, either to fill a vacancy or as an additional Director, provided that the

appointment does not cause the number of Directors to exceed any number fixed by or in accordance with these Articles as the maximum number of Directors. A Director so appointed shall hold office only until the next following annual general meeting and shall not be taken into account in determining the Directors who are to retire by rotation at the meeting. If not re-appointed at such annual general meeting, such Director shall vacate office at the conclusion thereof.

PART XV : DISQUALIFICATION AND REMOVAL OF DIRECTORS

95. Disqualification of Directors

The office of a Director shall be vacated *ipso facto* if:

- (g) he shall have been absent for more than 6 (six) consecutive months without permission of the Directors from meetings of the Directors held during that period and his alternate Director (if any) shall not have attended any such meeting in his place during such period, and the Directors pass a resolution that by reason of such absence he has vacated office; or
- (h) he is removed from office by notice in writing (whether in electronic form or otherwise) by all his co-Directors but so that if he holds an appointment to an executive office which thereby automatically terminates such removal shall be deemed an act of the Company and shall have effect without prejudice to any claim for damages for breach of any contract of service between him and the Company.

96. Removal of Directors

The Company, by ordinary resolution of which extended notice has been given in accordance with the provisions of the 2014 Act, may remove any Director before the expiry of his period of office notwithstanding anything in these Articles or in any agreement between the Company and such Director and may, if thought fit, by

ordinary resolution appoint another Director in his stead. The person appointed shall be subject to retirement at the same time as if he had become a Director on the date on which the Director in whose place he is appointed was last appointed a Director. Nothing in this Article shall be taken as depriving a person removed hereunder of compensation or damages payable to him in respect of the termination of his appointment as Director or of any appointment terminating with that of Director.

PART XVI : DIRECTORS' OFFICES AND INTERESTS

97. Executive Offices

- (a) The Directors may appoint one or more of their body to the office of Managing Director or Joint Managing Director or to any other executive office under the Company (including, where considered appropriate, the office of Chairman) on such terms and for such period as they may determine and, without prejudice to the terms of any contract entered into in any particular case, may revoke any such appointment at any time.

- (e) A Director may hold any other office or place of profit under the Company (except that of Auditor) in conjunction with his office of Director. A Director may also act in a professional capacity to the Company, on such terms as to remuneration and otherwise as the Directors shall arrange.

- (c) No Director or intending Director shall be disqualified by his office from contracting with the Company either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the other Company in which any Director shall be in any way interested be avoided nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established.
- (d) In accordance with the 2014 Act, the nature of a Director's interest must be declared by him at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement at the next meeting of the Directors held after he became so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made at the first meeting of the Directors held after he becomes so interested.
- (e) A copy of every declaration made and notice given under this Article shall be entered within 3 (three) days after the making or giving thereof in a book kept for this purpose. - (g) A Director may be a party to a transaction or acquisition of property to which the Company, acting by the Directors, has declined to be a party, provided that the Company shall have received property and/or corporate finance advice to the effect that such transaction or acquisition is not in the interests of, or is beyond the means of the Company. Any Director who participates in such transaction or acquisition shall not be accountable to the Company for breach of fiduciary duty or to account for profits or otherwise.

99. Restriction on Directors' Voting

- (a) Save as otherwise provided by these Articles or permitted by ordinary resolution of the Members, a Director shall not vote at a meeting of the Directors or a committee of Directors on any resolution concerning a matter in which he has, directly or indirectly, an interest which is material or a duty which conflicts or may conflict with the interests of the Company.

For the purposes of this Article, the Director who is a nominee of the investment manager, IRES Fund Management Limited, and Directors who are officers or trustees of CAPREIT or CAPREIT Affiliates shall be deemed to have a material interest in any discussions and deliberations relating to the appointment and engagement by the Company of IRES Fund Management Limited as investment manager or in relation to the appointment and engagement by the Company of any CAPREIT Affiliate.

 - (v) any proposal concerning the adoption, modification or operation of a superannuation fund or retirement benefits scheme under which he may benefit and which has been approved by or is subject to and conditional upon approval for taxation purposes by the appropriate Revenue authorities;
 - (vi) any proposal concerning the adoption, modification or operation of any scheme for enabling employees (including full time executive Directors if any) of the Company and/or any subsidiary thereof to acquire shares in the Company or any arrangement for the benefit of employees of the Company or any of its subsidiaries under which the Director benefits or may benefit; or

- (d) If a question arises at a meeting of Directors or of a committee of Directors as to the materiality of a Director's interest or as to the right of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question may be referred, before the conclusion of the meeting, to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive. In relation to the Chairman, such question may be resolved by a resolution of a majority of the Directors (other than the Chairman) present at the meeting at which at which the question first arises.
- (e) For the purposes of this Article, an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and in

relation to an alternate Director, an interest of his appointer shall be treated as an interest of the alternate Director.

- (f) The Company by ordinary resolution may suspend or relax the provisions of this Article to any extent or ratify any transaction not duly authorised by reason of a contravention of this Article.

100. Entitlement to grant pensions and purchase insurance

- (a) The Directors may provide benefits, whether by way of pensions, gratuities or otherwise, for any Director, former Director or other officer or former officer of the Company or to any person who holds or has held any employment with the Company or with any body corporate which is or has been a subsidiary or associated company of the Company or a predecessor in business of the Company or of any such subsidiary or associated company and to any member of his family or any person who is or was dependent on him and may set up, establish, support, alter, maintain and continue any scheme for providing all or any such benefits and for such purposes any Director accordingly may be, become or remain a member of, or rejoin, any scheme and receive or retain for his own benefit all benefits to which he may be or become entitled thereunder. A Director may, and the Secretary at the request of a Director shall, call a meeting of the Directors. Any Director may waive notice of any meeting and any such waiver may be retrospective. If the Directors so resolve, it shall not be necessary to give notice of a meeting of

the Directors to any Director or alternate Director who, being a resident of the State, is for the time being absent from the State.

- (b) Notice of a meeting of the Directors or any other notice required to be given to, or by, a Director shall be deemed to be duly given to a Director if it is given to him personally or by word of mouth or sent in writing by delivery, post, cable, telegram, telex, telefax, electronic mail or any other means of communication approved by the Directors to him at his last known address or any other address given by him to the Company for this purpose.

102. Quorum for Directors' Meetings

- (a) The quorum for the transaction of the business of the Directors may be fixed by the Directors and unless so fixed at any other number shall be 2 (two) Directors. A person who holds office only as an alternate Director shall, if his appointer is not present, be counted in the quorum, but notwithstanding that such person may act as alternate Director for more than one Director he shall not count as more than one for the purposes of determining whether a quorum is present.
- (b) Any Director who ceases to be a Director at a meeting of the Directors may continue to be present and to act as a Director and to be counted in the quorum until the termination of the meeting provided no other Director objects and provided also that otherwise a quorum of Directors would not be present.
- (c) The continuing Directors or a sole Director may act notwithstanding any vacancies in their number but if the number of Directors is less than the number fixed as the quorum, they may act only for the purpose of filling vacancies or of calling a general meeting.

103. Voting at Directors' Meetings

- (a) Questions arising at any meeting of Directors shall be decided by a majority of votes. Where there is an equality of votes, the chairman of the meeting shall have a second or casting vote.
- (b) Subject as hereinafter provided, each Director present and voting shall have one vote and in addition to his own vote shall be entitled to one vote in respect of each other Director not present at the meeting who shall have authorised him in respect of such meeting to vote for such other Director in his absence. Any such authority may relate generally to all meetings of the Directors or to any specified meeting or meetings and must be in writing and may be sent by delivery, post, cable, telegram, telex, telefax, electronic mail or any other means of communication approved by the Directors and may bear a printed, facsimile, electronic signature or advanced electronic signature of the Director giving such authority. The authority must be delivered to the Secretary for filing prior to or must be produced at the first meeting at which a vote is to be cast pursuant thereto provided that no Director shall be entitled to any vote at a meeting on behalf of another Director pursuant to this paragraph if the other Director shall have appointed an alternate Director and that alternate Director is present at the meeting at which the Director proposes to vote pursuant to this paragraph.

104. Telecommunication Meetings

Any Director or alternate Director may participate in a meeting of the Directors or any committee of the Directors by means of conference telephone or other telecommunications equipment by means of which all persons participating in the meeting can hear each other speak and such participation in a meeting shall constitute presence in person at the meeting.

105. Chairman of the Board of Directors

Subject to any appointment to the office of Chairman made pursuant to these Articles, the Directors may elect a chairman of their meetings and determine the period for which he is to hold office, but if no such chairman is elected or if at any meeting the chairman is unwilling to act or is not present within 5 (five) minutes after the time appointed for holding the same the Directors present may choose one of their number to be chairman of the meeting.

106. Validity of Acts of Directors

All acts done by any meeting of the Directors or of a committee of Directors or by any person acting as a Director, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Director or person acting as aforesaid, or that they or any of them were disqualified from holding office or had vacated office, shall be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director and had been entitled to vote.

107. Directors' Resolutions or Other Documents in Writing

A resolution or other document in writing (in electronic form or otherwise) signed (whether by electronic signature, advanced electronic signature or otherwise as approved by the Directors) by all the Directors entitled to receive notice of a meeting of Directors or of a committee of Directors shall be as valid as if it had been passed at a meeting of Directors or (as the case may be) a committee of Directors duly convened and held and may consist of several documents in the like form each signed by one or more Directors, and such resolution or other document or documents when duly signed may be delivered or transmitted (unless the Directors shall otherwise determine either generally or in any specific case) by facsimile transmission, electronic mail or some other similar means of transmitting the contents of documents. A resolution or other documents signed (whether by electronic signature, advanced electronic signature or otherwise as approved by the Directors) by an alternate Director need not also be signed by his appointer and, if it is signed by a Director who has appointed an alternate Director, it need not be signed by the alternate Director in that capacity.

PART XVIII : THE SECRETARY

108. Appointment of Secretary

The Secretary shall be appointed by the Directors for such term, at such remuneration and upon such conditions as they may think fit and any Secretary so

appointed may be removed by them. Anything required or authorised by the 2014 Act or these Articles to be done by the Secretary may be done, if the office is vacant or there is for any other reason no Secretary readily available and capable of acting, by any assistant or acting secretary readily available and capable of acting, or by any officer of the Company authorised generally or specially in that regard by the Directors, provided that any provision of the 2014 Act or these Articles requiring or authorising a thing to be done by a Director and the Secretary shall: not be satisfied by its being done by the same person acting both as a Director and as, or in the place of, the Secretary.

PART XIX : THE SEAL

109. Use of Seal

The Directors shall ensure that the Seal (including any official securities seal kept pursuant to the 2014 Act) shall be used only by the authority of the Directors or of a committee authorised by the Directors.

110. Seal for Use Abroad

The Company may exercise the powers conferred by the 2014 Act with regard to having an official seal for use abroad and such powers shall be vested in the Directors.

111. Signature of Sealed Instruments

- (a) Every instrument to which the Seal shall be affixed shall be signed by a Director and shall also be signed by the Secretary or by a second Director or by some other person appointed by the Directors for the purpose save that as regards any certificates for shares or debentures or other securities of the Company the Directors may determine by resolution that such signatures or either of them shall be dispensed with, or be printed thereon or affixed thereto by some method or system of mechanical signature, provided that in any such case the certificate to be sealed shall have been approved for sealing by the Secretary or by the registrar of the Company or by the Auditors or by some other person appointed by the Directors for this purpose in writing (and, for the avoidance of doubt, it is hereby declared that it shall be sufficient for approval to be given and/or evidenced either in such manner (if any) as may be approved by or on behalf of the Directors or by having certificates initialled before sealing or by having certificates presented for sealing accompanied by a list thereof which has been initialled).
- (b) For the purposes of this Article 111, any instrument in electronic form to which the seal is required to be affixed, shall be sealed by means of an advanced electronic signature based on a qualified certificate of a Director and the Secretary or of a second Director or by some other person appointed by the Directors for the purpose.

PART XX - DIVIDENDS AND RESERVES

112. Declaration of Dividends

Subject to the provisions of the 2014 Act, the Company by ordinary resolution may declare dividends in accordance with the respective rights of the Members, but no dividend shall exceed the amount recommended by the Directors.

113. Interim and Fixed Dividends

Subject to the provisions of the 2014 Act, the Directors may declare and pay interim dividends if it appears to them that they are justified by the profits of the Company available for distribution. If the share capital is divided into different classes, the Directors may declare and pay interim dividends on shares which confer deferred or non-preferred rights with regard to dividend as well as on shares which confer preferential rights with regard to dividend, but subject always to any restrictions for the time being in force (whether under these Articles, under the terms of issue of any shares or under any agreement to which the Company is a party, or otherwise) relating to the application, or the priority of application, of the Company's profits available for distribution or to the declaration or as the case may be the payment of dividends by the Company. Subject as aforesaid, the Directors may also pay at intervals settled by them any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment. Provided the Directors act in good faith they shall not incur any liability to the Holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on any shares having deferred or non-preferred rights.

114. Joint Holders

- (a) Subject to any restrictions that may be imposed in accordance with these Articles, sums legally available to be distributed by the Company in or in respect of any financial year may (to the extent so resolved or recommended by the Board) be distributed amongst the Holders of Ordinary Shares in proportion to the numbers of Ordinary Shares then held by them.
- (b) If several persons are registered as joint Holders of any share, any one of them may give effectual receipts for any dividend or other moneys payable on or in respect of the share.

115. Deductions from dividends

The Directors may deduct from any dividend or other moneys payable to any Member in respect of a share any moneys presently payable by him to the Company in respect of that share.

116. Dividends in specie

A general meeting declaring a dividend may direct, upon the recommendation of the Directors, that it shall be satisfied wholly or partly by the distribution of assets (and, in particular, of paid up shares, debentures or debenture stock of any other company or in any one or more of such ways) and the Directors shall give effect to such resolution. Where any difficulty arises in regard to the distribution, the Directors may settle the same as they think expedient and in particular may issue fractional

certificates and fix the value for distribution of such specific assets or any part thereof in order to adjust the rights of all the parties and may determine that cash payments shall be made to any Members upon the footing of the value so fixed and may vest any such specific assets in trustees.

117. Dividend Payment Mechanism

- (a) Any dividend or other moneys payable in respect of any share may be paid by cheque or warrant sent by post, at the risk of the person or persons entitled thereto, to the registered address of the Holder or, where there are joint Holders, to the registered address of that one of the joint Holders who is first named on the Register or to such person and to such address as the Holder or joint Holders may in writing direct. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent and payment of the cheque or warrant shall be a good discharge to the Company. Any joint Holder or other person jointly entitled to a share as aforesaid may give receipts for any dividend or other moneys payable in respect of the share. Any such dividend or other distribution may also be paid by any other method (including payment in a currency other than euro, electronic funds transfer, direct debit, bank transfer or by means of a relevant system) which the Directors consider appropriate and any Member who elects for such method of payment shall be deemed to have accepted all of the risks inherent therein. The debiting of the Company's account in respect of the relevant amount or, in respect of shares in uncertificated form, the making of payment by means of the relevant system concerned, shall be evidence of good discharge of the Company's obligations in respect of any payment made by any such methods.
- (b) In respect of shares in uncertificated form, where the Company is authorised to do so by or on behalf of the Holder or joint Holders in such manner as the Company shall from time to time consider sufficient, the Company may also pay any such dividend, interest or other moneys by means of the relevant system concerned (subject always to the facilities and requirements of that relevant system). Every such payment made by means of the relevant system shall be made in such manner as may be consistent with the facilities and requirements of the relevant system concerned. Without prejudice to the generality of the foregoing, in respect of shares in uncertificated form, such payment may include the sending by the Company or by any person on its behalf of an instruction to the Operator of the relevant system to credit the cash memorandum account of the Holder or joint Holders.

118. Dividends Not To Bear Interest

No dividend or other moneys payable in respect of a share shall bear interest against the Company unless otherwise provided by the rights attached to the share.

119. Payment to Holders on a Particular Date

Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Directors, may specify that the same may be payable to the persons registered as the Holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to

that on which the resolution is passed, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se of transferors and transferees of any such shares in respect of such dividend. The provisions of this Article shall apply, mutatis mutandis, to capitalisations to be effected in pursuance of these Articles. Any dividend, interest or other sum payable which remains unclaimed for 1 (one) year after having been declared may be invested or otherwise made use of by the Directors for the benefit of the Company until claimed.

120. Unclaimed Dividends

If the Directors so resolve, any dividend which has remained unclaimed for 12 (twelve) years from the date of its declaration shall be forfeited and cease to remain owing by the Company. The payment by the Directors of any unclaimed dividend or other moneys payable in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

121. Reserves

Before recommending any dividend, whether preferential or otherwise, the Directors may carry to reserve out of the profits of the Company such sums as they think proper. All sums standing to reserve may be applied from time to time in the discretion of the Directors for any purpose to which the profits of the Company may be properly applied and at the like discretion may be either employed in the business of the Company or invested in such investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. Any sum which the Directors may carry to reserve out of the unrealised profits of the Company shall not be mixed with any reserve to which profits available for distribution have been carried. The Directors may also carry forward, without placing the same to reserve, any profits which they may think it prudent not to divide.

PART XX : ACCOUNTS

122. Accounts

- (a) The Directors shall cause to be kept proper books of account, whether in the form of documents, electronic form or otherwise, that:
- (i) correctly record and explain the transactions of the Company;
 - (ii) will at any time enable the financial position of the Company to be determined with reasonable accuracy;
 - (iii) will enable the Directors to ensure that any balance sheet, profit and loss account or income and expenditure account of the Company complies with the requirements of the 2014 Act; and
 - (iv) will enable the accounts of the Company to be readily and properly audited.

- (b) Books of account of the Company shall be kept on a continuous and consistent basis and entries therein shall be made in a timely manner and be consistent from year to year. Proper books of account shall not be deemed to be kept if there are not kept such books of account as are necessary to give a true and fair view of the state of the Company's affairs and to explain its transactions.
- (c) The Company may send by post, electronic mail or any other means of electronic communication a summary financial statement to its shareholders or persons nominated by any Member. The Company may meet, but shall be under no obligation to meet, any request from any of its Members to be sent additional copies of its full report and accounts or summary financial statement or other communications with its Members.
- (d) The books of account shall be kept at the Office or, subject to the provisions of the 2014 Act, at such other place as the Directors think fit and shall be open at all reasonable times to the inspection of the Directors.
- (e) The Directors shall determine from time to time whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of Members, not being Directors. No Member (not being a director) shall have any right of inspecting any account or book or document of the Company except as conferred by the 2014 Act or authorised by the Directors or by the Company in general meeting.
- (f) in accordance with the provisions of the 2014 Act, the Directors shall cause to be prepared and to be laid before the annual general meeting of the Company from time to time such profit and loss accounts, balance sheets, group accounts (if applicable) and reports as are required by the 2014 Act to be prepared and laid before such meeting.
- (g) Subject to the 2014 Act, a copy of every balance sheet (including every document required by law to be annexed thereto) which is to be laid before the annual general meeting of the Company together with a copy of the Directors' report and Auditors' report shall be sent by post, electronic mail or any other means of electronic communication, not less than 21 (twenty-one) Clear Days before the date of the annual general meeting, to every person entitled under the provisions of the 2014 Act to receive them; provided that in the case of those documents sent by electronic mail or any other means of electronic communication, such documents shall be sent with the consent of the recipient, to the address of the recipient notified to the Company by the recipient for such purposes and the required number of copies of these documents shall be forwarded at the same time to the appropriate section of the Irish Stock Exchange and London Stock Exchange, respectively.
- (h) Auditors shall be appointed and removed and their duties regulated in accordance with the 2014 Act.

PART XXI : CAPITALISATION OF PROFITS OR RESERVES

123. Capitalisation of Distributable Profits and Reserves

- (a) Without prejudice to any powers conferred on the Directors by these Articles, the Company in general meeting may resolve, upon the recommendation of the Directors, that any sum for the time being standing to the credit of any of the Company's reserves (including any capital redemption reserve fund or share premium account) or to the credit of the profit and loss account be capitalised and applied on behalf of the Members who would have been entitled to receive that sum if it had been distributed by way of dividend and in the same proportions either in or towards paying up amounts for the time being unpaid on any shares held by them respectively, or in paying up in full unissued shares or debentures of the Company of a nominal amount equal to the sum capitalised (such shares or debentures to be allotted and distributed credited as fully paid up to and amongst and/or as directed by such Holders in the proportions aforesaid) or partly in one way and partly in another, so, however, that the only purposes for which sums standing to the credit of the capital redemption reserve fund or the share premium account shall be applied shall be those permitted by the 2014 Act.
- (b) The Directors may from time to time at their discretion, subject to the provisions of the 2014 Act and, in particular, to their being duly authorised pursuant to Section 69 of the 2014 Act to allot the relevant shares (such authority to expire on the earlier of the fifth anniversary of the passing of the resolution giving the Directors such authority or at the conclusion of the annual general meeting of the company held in the fifth calendar year after the passing of the ordinary resolution), to offer to the Holders of Ordinary Shares the right to elect to receive in lieu of any dividend or proposed dividend or part thereof an allotment of additional Ordinary Shares credited as fully paid. In any such case the following provisions shall apply:
- (i) The basis of allotment shall be determined by the Directors so that, as nearly as may be considered convenient in the Directors' absolute discretion, the value (calculated by reference to the average quotation) of the additional Ordinary Shares (excluding any fractional entitlement) to be allotted in lieu of any amount of dividend shall equal such amount. For such purpose the "average quotation" of an Ordinary Share shall be the average of the 5 (five) amounts resulting from determining whichever of the following ((A), (B) or (C) specified below) in respect of Ordinary Shares shall be appropriate for each of the first 5 (five) business days on which Ordinary Shares are quoted "ex" the relevant dividend and as determined from the information published by the Irish Stock Exchange reporting the business done on each of these 5 (five) business days:
- (A) if there shall be more than one dealing reported for the day, the average of the prices at which such dealings took place; or
- (B) if there shall be only one dealing reported for the day, the price at which such dealing took place; or
- (C) if there shall not be any dealing reported for the day, the average of the closing bid and offer prices for the day;

and if there shall be only a bid (but not an offer) or an offer (but not a bid) price reported, or if there shall not be any bid or offer price reported, for any particular day then that day shall not count as one of the said 5 (five) business days for the purposes of determining the average quotation. If the means of providing the foregoing information as to dealings and prices by reference to which the average quotation is to be determined is altered or is replaced by some other means, then the average quotation shall be determined on the basis of the equivalent information published by the relevant authority in relation to dealings on the Irish Stock Exchange or its equivalent.

- (ii) The Directors shall give notice in writing (whether in electronic form or otherwise) to the Holders of Ordinary Shares of the right of election offered to them and shall send with or following such notice forms of election and specify the procedure to be followed and the place at which, and the latest date and time by which, duly completed forms of election must be lodged in order to be effective. The Directors may also issue forms under which Holders may elect in advance to receive new Ordinary Shares instead of dividends in respect of future dividends not yet declared (and, therefore, in respect of which the basis of allotment shall not yet have been determined).
- (iii) The dividend (or that part of the dividend in respect of which a right of election has been offered) shall not be payable on Ordinary Shares in respect of which the right of election as aforesaid has been duly exercised (the "Subject Ordinary Shares") and in lieu thereof additional Ordinary Shares (but not any fraction of a share) shall be allotted to the Holders of the Subject Ordinary Shares on the basis of allotment determined aforesaid and for such purpose the Directors shall capitalise, out of such of the sums standing to the credit of any of the Company's reserves (including any capital redemption reserve fund or share premium account) or to the credit of the profit and loss account as the Directors may determine, a sum equal to the aggregate nominal amount of additional Ordinary Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of unissued Ordinary Shares for allotment and distribution to and amongst the holders of the Subject Ordinary Shares on such basis.
- (c) The additional Ordinary Shares so allotted shall rank pari passu in all respects with the fully paid Ordinary Shares then in issue save only as regards participation in the relevant dividend or share election in lieu.
- (d) The Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation with full power to the Directors to make such provisions as they think fit where shares would otherwise have been distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are disregarded and the benefit of fractional entitlements accrues to the Company rather than to the Holders concerned). The Directors may authorise any person to enter on behalf of all the Holders interested into an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

- (e) The Directors may on any occasion determine that rights of election shall not be offered to any Holders of Ordinary Shares who are citizens or residents of any territory where the making or publication of an offer of rights of election or any exercise of rights of election or any purported acceptance of the same would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.
- (f) The Directors shall not proceed with any election unless the Company has sufficient unissued shares authorised for issue and sufficient reserves or funds that may be capitalised to give effect to it after the basis of allotment is determined.

124. Capitalisation of Non-Distributable Profits and Reserves

Without prejudice to any powers conferred on the Directors as aforesaid, the Company in general meeting may resolve, on the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account which is not available for distribution by applying such sum in paying up in full unissued shares to be allotted as fully paid bonus shares to and/or as directed by those Members who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions) and the Directors shall give effect to such resolution.

125. Implementation of Capitalisation Issues

Whenever such a resolution is passed in pursuance of either of the 2 (two) immediately preceding Articles the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid shares or debentures, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provisions as they shall think fit for the case of shares or debentures becoming distributable in fractions (and, in particular, without prejudice to the generality of the foregoing, either to disregard such fractions or to sell the shares or debentures represented by such fractions and distribute the net proceeds of such sale to and for the benefit of the Company or to and for the benefit of the Members otherwise entitled to such fractions in due proportions) and to authorise any person to enter on behalf of all the Members concerned into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further shares or debentures to which they may become entitled on such capitalisation or, as the case may require, for the payment up by the application thereto of their respective proportions of the profits resolved to be capitalised of the amounts remaining unpaid on their existing shares and any agreement made under such authority shall be binding on all such Members.

PART XXII : NOTICES

126. Notices in Writing

Any notice to be given, served or delivered pursuant to these Articles shall be in writing (whether in electronic form or otherwise) as permitted by these Articles.

127. Service of Notices

- (a) A notice or document (including a share certificate) to be given, served or delivered in pursuance of these Articles may be given to, served on or delivered to any Member by the Company:
 - (i) by handing same to him or his authorised agent;
 - (ii) by leaving the same at his registered address;
 - (iii) by sending the same by the post in a pre-paid cover addressed to him at his registered address;
 - (iv) by sending, with the consent of the Member, the same by means of electronic mail or other means of electronic communication approved by the Directors, with the consent of the Member, to the address of the Member notified to the Company by the Member for such purpose (or if not so notified, then to the address of the Member last known to the Company).
- (b) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a)(i) or (a)(ii) of this Article, the giving, service or delivery thereof shall be deemed to have been effected at the time the same was handed to the Member or his authorised agent, or left at his registered address (as the case may be).
- (c) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a)(iii) of this Article, the giving, service or delivery thereof shall be deemed to have been effected at the expiration of 24 (twenty-four) hours after the cover containing it was posted. In proving service or delivery it shall be sufficient to prove that such cover was properly addressed, stamped and posted.
- (d) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a)(iv) of this Article, the giving, service or delivery thereof shall be deemed to have been effected at the expiration of 12 (twelve) hours after despatch.
- (e) Every legal personal representative, committee, receiver, curator bonis or other legal curator, assignee in bankruptcy, examiner or liquidator of a Member shall be bound by a notice given as aforesaid if sent to the last registered address of such Member, or, in the event of notice given or delivered pursuant to sub-paragraph (a)(iv), if sent to the address notified by the Company by the Member for such purpose notwithstanding that the Company may have notice of the death, lunacy, bankruptcy, liquidation or disability of such Member.

- (f) Without prejudice to the provisions of sub-paragraphs (a)(i) and (a)(ii) of this Article, if at any time by reason of the suspension or curtailment of postal services within the State, the Company is unable effectively to convene a general meeting by notices sent through the post, a general meeting may be convened by a notice issued through an RIS or by way of notice advertised in at least one leading national newspaper published in the State and in the United Kingdom such notice shall be deemed to have been duly served on all Members entitled thereto at noon on the day on which the said notice, advertisement or advertisements shall appear. In any such case the Company shall send confirmatory copies of the notice through the post to those Members whose registered addresses are outside the State (if or to the extent that in the opinion of the Directors it is practical so to do) or are in areas of the State unaffected by such suspension or curtailment of postal services and if at least 96 (ninety-six) hours prior to the time appointed for the holding of the meeting the posting of notices to Members in the State, or any part thereof which was previously affected, has become practical in the opinion of the Directors, the Directors shall send forthwith confirmatory copies of the notice by post to such Members. The accidental omission to give any such confirmatory copy of a notice of a meeting to, or the non-receipt of any such confirmatory copy by, any person entitled to receive the same shall not invalidate the proceedings at the meeting.
- (g) Notwithstanding anything contained in this Article the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than the State.

128. Service on Joint Holders

A notice may be given by the Company to the joint Holders of a share by giving the notice to the joint Holder whose name stands first in the Register in respect of the share and notice so given shall be sufficient notice to all the joint Holders:

129. Service on Transfer or Transmission of Shares

- (a) Every person who becomes entitled to a share shall before his name is entered in the Register in respect of the share, be bound by any notice in respect of that share which has been duly given to a person from whom he derives his title provided that the provisions of this paragraph shall not apply to any notice served under Article 72 unless, under the provisions of Article 72(b), it is a notice which continues to have effect notwithstanding the registration of a transfer of the shares to which it relates.
- (b) Without prejudice to the provisions of these Articles allowing a meeting to be convened by a notice issued through an RIS or newspaper advertisement, a notice may be given by the Company to the persons entitled to a share in consequence of the death, bankruptcy or insolvency of a Member or otherwise entitled to a share by operation of any law, directive or regulation (whether of the State or otherwise) by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a Member, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.

130. Signature to Notices

131. Company to Specify Address

Each such person shall deliver such information, certificates and declarations within the period specified in such notice. If such person fails to deliver such information, certificates and declarations within the period specified in such notices and such person is a Holder of shares in the Company, that Holder shall not be entitled to attend or to vote either personally or by proxy at a general meeting of the Company or

a meeting of the Holders of any class of shares of the Company or to exercise any other rights conferred by Membership in relation to general meetings of the Company or meetings of the Holders of any class of shares of the Company and (to the extent permitted from time to time by the Listing Rules of the Irish Stock Exchange and the Listing Rules of the UK Listing Authority) except in a liquidation of the Company, no payment shall be made of any sums due from the Company on such shares, whether in respect of capital or dividend or otherwise, and the Company shall not have any liability to pay interest on any such payment when it is finally paid to the Holder and no other distribution shall be made on such shares in the Company.

135. Distributions in Respect of Substantial Shareholdings

- (a) In respect of any Distribution, the Directors may, if the Directors determine that the condition set out in paragraph (b) of this Article is satisfied in relation to any shares in the Company, withhold payment of such Distribution on or in respect of such shares. Any Distribution so withheld shall be paid as provided in Article 136 and until such payment the persons who would otherwise be entitled to the Distribution shall have no right to the Distribution or its payment.
- (b) The condition referred to in paragraph (a) above of this Article is that, in relation to any shares in the Company and any Distribution to be paid or made on and in respect of such shares:
 - (i) the Directors believe that such shares comprise all or part of a Substantial Shareholding of a Substantial Shareholder; and
 - (ii) the Directors are not satisfied that such Substantial Shareholder would not be beneficially entitled to the Distribution if it was paid,and, for the avoidance of doubt, if the shares comprise all or part of a Substantial Shareholding in respect of more than one Substantial Shareholder this condition is not satisfied unless it is satisfied in respect of all such Substantial Shareholders.
- (c) If a Distribution has been withheld on or in respect of any shares in the Company in accordance with Article 135(a), it shall be paid as follows:
 - (i) if it is established to the satisfaction of the Directors that the condition in Article 135(b) is not satisfied in relation to such shares, in which case the whole amount of the Distribution withheld shall be paid; and
 - (ii) if the Directors are satisfied that sufficient interests in all or some of the shares concerned have been transferred to a third party so that such transferred shares no longer form part of the Substantial Shareholding, in which case the Distribution attributable to such shares shall be paid (provided the Directors are satisfied that following such transfer such shares concerned do not form part of a Substantial Shareholding); and
 - (iii) if the Directors are satisfied that as a result of a transfer of interests in shares referred to in paragraph (b)(ii) above of this Article the

remaining shares no longer form part of a Substantial Shareholding, in which case the Distribution attributable to such shares shall be paid.

In this Article 135, references to the “transfer” of a share include the disposal (by any means) of beneficial ownership of, control of voting rights in respect of and beneficial entitlement to dividends in respect of, that share.

- (d) A Substantial Shareholder may satisfy the Directors that he is not beneficially entitled to a Distribution by providing a Distribution Transfer Certificate. The Directors shall be entitled to (but shall not be bound to) accept a Distribution Transfer Certificate as evidence of the matters therein stated and the Directors shall be entitled to require such other information, certifications or declarations (if any) as they think fit.
- (e) The Directors may withhold payment of a Distribution on or in respect of any shares in the Company if any notice given by the Directors pursuant to Article 134(c) in relation to such shares shall not have been complied with to the satisfaction of the Directors within the period specified in such notice. Any Distribution so withheld will be paid when the notice is complied with to the satisfaction of the Directors unless the Directors withhold payment pursuant to Article 136(a) and until such payment the persons who would otherwise be entitled to the Distribution shall have no right to the Distribution or its payment.
- (f) If the Directors decide that payment of a Distribution should be withheld under paragraph (a) or paragraph (e) above of this Article, they shall within 5 (five) business days give notice in writing of that decision to the Relevant Registered Shareholder.
- (g) If any Distribution shall be paid on a Substantial Shareholding and an Excess Charge becomes payable, the Substantial Shareholder shall pay the amount of such Excess Charge and all costs and expenses incurred by the Company in connection with the recovery of such amount to the Company on demand by the Company. Without prejudice to the right of the Company to claim such amount from the Substantial Shareholder, such recovery may be made out of the proceeds of any disposal pursuant Article 137(b) or out of any subsequent Distribution in respect of the shares to such person or to the shareholders of all shares in relation to or by virtue of which the Directors believe that person has an interest in the Company (whether that person is at that time a Substantial Shareholder or not).

136. Distribution Trust

- (a) If a Distribution is paid on or in respect of a Substantial Shareholding (which, for the avoidance of doubt, shall not include a Distribution paid in circumstances where the Substantial Shareholder is not beneficially entitled to the Distribution), the Distribution and any income arising from it shall be held by the payee or other recipient to whom the Distribution is transferred by the payee on trust absolutely for the persons nominated by the relevant Substantial Shareholder under paragraph (b) below of this Article in such proportions as the Relevant Substantial Shareholder shall in the nomination direct or, subject to and in default of such nomination being validly made within 12 (twelve) years after the date the Distribution is made, for the

Company or such other person(s) as may be nominated by the Directors from time to time.

- (b) The Relevant Substantial Shareholder of shares of the Company in respect of which a Distribution is paid shall be entitled to nominate in writing any two or more persons (not being Substantial Shareholders) to be the beneficiaries of the trust on which the Distribution is held under paragraph (a) above of this Article and the Substantial Shareholder may in any such nomination state the proportions in which the Distribution is to be held on trust for the nominated persons, failing which the Distribution shall be held on trust for the nominated persons in equal proportions. No person may be nominated under this Article who is or would, on becoming a beneficiary in accordance with the nomination, become a Substantial Shareholder. If the Substantial Shareholder making the nomination is not by virtue of paragraph (a) of this Article the trustee of the trust, the nomination shall not take effect until it is delivered to the person who is the trustee.
- (c) Any income arising from a Distribution which is held on trust under paragraph (a) of this Article shall until the earlier of (i) the making of a valid nomination under paragraph (b) above of this Article and (ii) the expiry of the period of 12 (twelve) years from the date when the Distribution is paid be accumulated as an accretion to the Distribution. Income shall be treated as arising when payable, so that no apportionment shall take place.
- (d) No person who by virtue of paragraph (a) of this Article holds a Distribution on trust shall be under any obligation to invest the Distribution or to deposit it in an interest-bearing account.
- (e) No person who by virtue of paragraph (a) of this Article holds a Distribution on trust shall be liable for any breach of trust unless due to his own wilful fraud or wrongdoing or, in the case of an incorporated person, the fraud or wilful wrongdoing of its directors, officers or employees.

137. Obligation to Dispose

- (a) If at any time, the Directors believe that:
 - (i) in respect of any Distribution declared or announced, the condition set out in Article 135(b) is satisfied in respect of any shares in the Company in relation to that Distribution; or
 - (ii) a notice given by the Directors pursuant to Article 134(c) in relation to any shares in the Company has not been complied with to the satisfaction of the Directors within the period specified in such notice; or
 - (iii) any information, certificate or declaration provided by a person in relation to any shares in the Company for the purposes of the preceding provisions of this Part XXIII was materially inaccurate or misleading,

the Directors may give notice in writing (a “disposal notice”) to any persons they believe are Relevant Registered Shareholders in respect of the relevant shares requiring such Relevant Registered Shareholders within 21 (twenty

one) days of the date of service of the notice (or such longer or shorter time as the Directors consider to be appropriate in the circumstances) to dispose of such number of shares the Directors may in such notice specify or to take such other steps as will cause the condition set out in Article 134(b) no longer to be satisfied. The Directors may, if they think fit, withdraw a disposal notice.

- (b) If
 - (i) the requirements of a disposal notice are not complied with to the satisfaction of the Directors within the period specified in the relevant notice and the relevant disposal notice is not withdrawn; or
 - (ii) a Distribution is paid on a Substantial Shareholding and an Excess Charge becomes payable;

the Directors may arrange for the Company to sell all or some of the shares to which the disposal notice relates or, as the case may be, that form part of the Substantial Shareholding concerned. For this purpose, the Directors may make such arrangements as they deem appropriate. In particular, without limitation, they may authorise any Director or other officer or (if any) employee of the Company to execute any transfer or other document on behalf of the Holder or Holders of the relevant share and, in the case of a share in uncertificated form, may make such arrangements as they think fit on behalf of the relevant Holder or Holders to transfer title to the relevant share through a relevant system.

- (c) Any sale pursuant to paragraph (b) above of this Article shall be at the price which the Directors consider is the best price reasonably obtainable and the Directors shall not be liable to the Holder or Holders of the relevant share for any alleged deficiency in the amount of the sale proceeds or any other matter relating to the sale.
- (d) The net proceeds of the sale of any share under paragraph (b) above of this Article (less any amount to be retained pursuant to Article 135(g) and the expenses of sale) shall be paid over by the Company to the former holder or holders of the relevant share upon surrender of any certificate or other evidence of title relating to it, without interest. The receipt of the Company shall be a good discharge for the purchase money.
- (e) The title of any transferee of shares shall not be affected by an irregularity or invalidity of any actions purportedly taken pursuant to this Part XXIII.

138. General

- (a) The Directors shall be entitled to presume without enquiry, unless any Director has reason to believe otherwise, that a person is not a Substantial Shareholder or a Relevant Registered Shareholder or a Close Company Person.
- (b) The Directors shall not be required to give any reasons for any decision or determination (including any decision or determination not to take action in respect of a particular person) pursuant to this Part XXIII and any such determination or decision shall be final and binding on all persons unless and until it is revoked or changed by the Directors. Any disposal or transfer made

or other thing done by or on behalf of the Board or any Director pursuant to this Part XXIII shall be binding on all persons and shall not be open to challenge on any ground whatsoever.

- (c) The Directors shall be under no liability to any person or, so long as the Directors act reasonably and in good faith, to the Company, and the Company shall be under no liability to any Member or any other person, for identifying or failing to identify any person as a Substantial Shareholder or a Relevant Registered Shareholder or a Close Company Person.
- (d) The Directors shall not be obliged to serve any notice required under this Part XXIII upon any person if they do not know either his identity or his address. The absence of service of such a notice in such circumstances or any accidental error in or failure to give any notice to any person upon whom notice is required to be served under this Part XXIII shall not prevent the implementation of or invalidate any procedure under this Part XXIII.
- (e) The provisions of Articles 126 to 132 (inclusive) shall apply to the service upon any person of any notice required by this Part XXIII. Any notice required by this Part XXIII to be served upon a person who is not a Member or upon a person who is a Member but whose address is not within Ireland and who has failed to supply to the Company an address within Ireland shall be deemed validly served if such notice is sent through the post in a pre-paid cover addressed to that Member or person at the address (if any) at which the Directors believe him to be resident or carrying on business or, in the case of a holder of depositary receipts or similar securities, to the address, if any, in the Register of Holders of the relevant securities. Service shall, in such a case, be deemed to be effected on the day of posting and it shall be sufficient proof of service if that notice was properly addressed, stamped and posted.
- (f) Any notice required or permitted to be given pursuant to this Part XXIII may relate to more than one share and shall specify the share or shares to which it relates.
- (g) The Directors may require from time to time any person who is or claims to be a person to whom a Distribution may be paid without deduction of tax under the TCA to provide such certificates or declarations as the Directors may require from time to time.
- (h) This Article may be amended by special resolution of the Company from time to time, including to give powers to the Directors to take such steps as they may require in order to ensure that the Company satisfies the requirement of Section 705B of the TCA (as inserted by Section 41(c) of the Finance Act), which relates to close company status, which powers may include the ability to arrange for the sale of shares on behalf of shareholders.

PART XXIV : WINDING UP

139. Distribution on Winding Up

If the Company shall be wound up and the assets available for distribution among the Members as such shall be insufficient to repay the whole of the paid up or credited as

paid up share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the Members in proportion to the capital paid up or credited as paid up at the commencement of the winding up on the shares held by them respectively. And if in a winding up the assets available for distribution among the Members shall be more than sufficient to repay the whole of the share capital paid up or credited as paid up at the commencement of the winding up, the excess shall be distributed among the Members in proportion to the capital at the commencement of the winding up paid up or credited as paid up on the said shares held by them respectively. Provided that this Article shall not affect the rights of the Holders of shares issued upon special terms and conditions.

140. Sale by a Liquidator

- (a) In case of a sale by the liquidator under Section 601 of the 2014 Act, the liquidator may by the contract of sale agree so as to bind all the Members for the allotment to the Members direct of the proceeds of sale in proportion to their respective interests in the Company and may further by the contract limit a time at the expiration of which obligations or shares not accepted or required to be sold shall be deemed to have been irrevocably refused and be at the disposal of the Company, but so that nothing herein contained shall be taken to diminish, prejudice or affect the rights of dissenting Members conferred by the said Section.
- (b) The power of sale of the liquidator shall include a power to sell wholly or partially for debentures, debenture stock, or other obligations of another company, either then already constituted or about to be constituted for the purpose of carrying out the sale.

141. Distribution in Specie

If the Company is wound up, the liquidator, with the sanction of a special resolution of the Company and any other sanction required by the 2014 Act, may divide among the Members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not), and, for such purpose, may value any assets and determine how the division shall be carried out as between the Members or different classes of Members. The liquidator, with the like sanction, may vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as, with the like sanction, he determines, but so that no Member shall be compelled to accept any assets upon which there is a liability.

PART XXV : MISCELLANEOUS

142. Minutes of Meetings

The Directors shall cause minutes to be made of the following matters, namely:

- (a) of all appointments of officers and committees made by the Directors and of their salary or remuneration;

- (b) of the names of Directors present at every meeting of the Directors and of the names of any Directors and of all other Members thereof present at every meeting of any committee appointed by the Directors; and
- (c) of all resolutions and proceedings of all meetings of the Company and of the Holders of any class of shares in the Company and of the Directors and of committees appointed by the Directors.

Any such minute as aforesaid, if purporting to be signed by the Chairman of the meeting at which the proceedings were had, or by the Chairman of the next succeeding meeting, shall be receivable as prima facie evidence of the matter stated in such minute without any further proof.

143. Inspection and Secrecy

The Directors shall determine from time to time whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of Members, not being Directors, and no Member (not being a Director) shall have any right of inspecting any account or book or document of the Company except as conferred by the 2014 Act or authorised by the Directors or by the Company in general meeting. No Member shall be entitled to require discovery of or any information respecting any detail of the Company's trading, or any matter which is or may be in the nature of a trade secret, mystery of trade, or secret process which may relate to the conduct of the business of the Company and which in the opinion of the Directors it would be inexpedient in the interests of the Members of the Company to communicate to the public.

144. Destruction of Records

The Company shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of 6 (six) years from the date of registration thereof, all notifications of change of address howsoever received at any time after the expiration of 2 (two) years from the date of recording thereof and all share certificates and dividend mandates which have been cancelled or ceased to have effect at any time after the expiration of 1 (one) year from the date of such cancellation or cessation. It shall be presumed conclusively in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument duly and properly registered and every share certificate so destroyed was a valid and effective document duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that:

- (a) the provision aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article; and

- (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

145. Untraced Shareholders

- (a) The Company shall be entitled to sell at the best price reasonably obtainable any share of a Holder or any share to which a person is entitled by transmission if and provided that:
 - (i) for a period of 12 (twelve) years no cheque or warrant sent by the Company through the post in a pre-paid letter addressed to the Holder or to the person entitled by transmission to the share at his address on the Register, or the other last known address given by the Holder or the person entitled by transmission to which cheques and warrants are to be sent, has been cashed and no communication has been received by the Company from the Holder or the person entitled by transmission (provided that during such 12 (twelve) year period at least 3 (three) dividends shall have become payable in respect of such share);
 - (ii) at the expiration of the said period of 12 (twelve) years by advertisement in a national daily newspaper published in the State (and a national daily newspaper published in the United Kingdom) and in a newspaper circulating in the area in which the address referred to in sub-paragraph (a)(i) of this Article is located the Company has given notice of its intention to sell such share;
 - (iii) during the further period of 3 (three) months after the date of the advertisement and prior to the exercise of the power of sale the Company has not received any communication from the Holder or person entitled by transmission; and
 - (iv) the Company has first given notice in writing to the Irish Stock Exchange and London Stock Exchange, respectively, of its intention to sell such shares.
- (b) To give effect to any such sale the Company may appoint any person to execute as transferor an instrument of transfer of such share and such instrument of transfer shall be as effective as if it had been executed by the Holder or the person entitled by the transmission to such share. The transferee shall be entered in the Register as the Holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase moneys nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.
- (c) The Company shall account to the Holder or other person entitled to such share for the net proceeds of such sale by carrying all moneys in respect thereof to a separate account which shall be a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such Holder or other person. Moneys carried to such separate account may be either employed in the business of the Company or invested in such investments as the Directors may think fit, from time to time.

- (d) Where a share, which is to be sold as provided in this Article 145, is held in uncertificated form, the Directors may authorise some person to do all that is necessary under the 1996 Regulations to change such share into certificated form prior to its sale under this Article.

146. Indemnity

Subject to the provisions of and so far as may be admitted by the 2014 Act, every Director, Managing Director, Auditor, Secretary or other officer of the Company shall be indemnified by the Company against all costs, charges, losses, expenses and liabilities incurred by him in the execution and discharge of his duties or in relation thereto including any liability incurred by him in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him as an officer or employee of the Company and in which judgment is given in his favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him by the Court.

147. Certain US and US-Related Tax Matters

The Company shall not pay any additional amounts to any person in respect of any withholding of taxes, including those relating to FATCA. The Company is not required to make available the information necessary for any person to make a so-called “qualified electing fund” election under US tax law.

148. Valuation of Assets

For the purposes of calculating the Net Asset Value and Net Asset Value per Share of the Company, the assets comprised in the Company shall be valued in accordance with the accounting standards used in preparation of the Company's audited accounts, provided that real property shall be valued in accordance with the RICS Red Book, unless the Directors otherwise determine, and by a suitably qualified valuation firm or firms, independent of the Company, any investment manager of the Company and any person with close links to the Company or any investment manager of the Company.
